DEPUTY EXECUTIVE DIRECTOR'S REPORT:

Ms. Lang referred to the agency's statistics for discipline cases and noted that the Board's data for the past quarter showed significant improvement. She thanked board members for their time in reviewing disciplinary matters but acknowledged that that backlog of cases for review continues. She specifically thanked Dr. Paulson and Mr. Salay for their participation in a recent informal conference and noted that following the conference they were able to review ten cases for probable cause.

Ms. Lang discussed further review of discipline processes and noted that in an effort to ensure more consistent Board decisions, Mr. Salay and Dr. Paulson have agreed to hear the majority of informal conferences as a dedicated Special Conference Committee. Additional Committees will also be appointed as needed but this process will make the process easier when attempting to ensure a panel of board members at formal hearings. Ms. Lang also noted that she is working on a process to allow an Agency Subordinate to hear credentials matters, in order to allow board members the opportunity to preside over discipline cases. Following a review by an Agency Subordinate, the decision will be presented to the Board as a Recommended Decision, which will require a majority vote before a final order is entered. It is hopeful that this process will allow applicant appeals to be heard more quickly.

LICENSING MANAGER’S REPORT:

Ms. Georgen announced that for Quarter 2 of the 2016 Fiscal Year, the Board of Social Work regulated 6,690 licensees and licensed 125 individuals. Ms. Georgen stated that the satisfaction rate for the Board was 94.4%. She also stated that the updated forms were implemented and have been received positively by the public and applicants.

Additionally, Dr. Winters identified exemptions from licensure as a continued topic of discussion.

Dr. Winters reviewed the highlights from the Regulatory Committee meeting and announced the next meeting for April 29, 2016.

BREAK:

At 11:03 a.m., the Board took a 5 minute break. At 11:08 a.m., the Board reconvened.

NEW BUSINESS:

Ms. Yeatts discussed the adoption of Proposed Regulations pursuant to the Notice of Intended Regulatory Action ("NOIRA") published on January 11, 2016. When the Board adopted regulatory changes pursuant to a periodic review by a fast-track action, the Department of Planning and Budget determined that 3 of the proposed amendments did not qualify for fast-track. Therefore, this NOIRA was published to identify those changes through the normal Administrative Process Act. The comment period for the NOIRA closed on February 10, 2016. There were no public comments. Mr. Salay motioned to approve the proposed Regulatory changes. The motion was seconded and carried.

The Regulatory Committee recommended issuing a NOIRA to require of those applying for reinstatement or reactivation of licensure to complete a minimum of one hour of face-to-face supervision per 40 hours of work experience. After a lengthy discussion Dr. Winters made a motion to amend the general language for the supervision experience for reinstatement and reactivation of licensure, and refer the issue back to the Regulatory Committee for further discussion. The motion was seconded and carried.

The Regulatory Committee also recommended issuing a NOIRA to amend and broaden the current definition of clinical social work services to include the addition of "psychosocial interventions". Dr. Walsh motioned to accept the recommendation of the Regulatory Committee. The motion was seconded and carried.

The Board discussed the Petition for Rule-Making that requested to amend section 18VAC140-20-70 to allow persons who have failed the licensing examination to count their supervision hours beyond the 2 years currently prescribed. The amendment would grandfather those applicants who do not meet current requirements for registration of supervision. Ms. Wooten motioned to deny the Petition for Rule-Making as the section reference in the petition was not applicable. The motion was seconded and carried.
