The meeting was called to order at 10:05 a.m.

A public hearing was held on the proposed fee amendments to the Professional Boxing and Wrestling Event Regulations. A transcript of the public hearing is available upon request. A summary of all comment received will be prepared for the next meeting, to be held in January of 2005.

The Task Force reviewed draft regulatory changes to the current regulations covering many topics. The Task Force agreed that the additions were appropriate and restructuring the regulations to separate standards of conduct for different types of events was appropriate. The draft will be revised for proper formatting and presented to the Task Force at its next meeting in January 2005. At that time, the Task Force will adopt a recommended draft for the Director. Upon the Director's approval, the regulations will be adopted as proposed regulations and, after obtaining the appropriate approvals, will be released for public comment.

The meeting adjourned at 12:30 p.m.
