Summary

Please provide a brief summary of all regulatory changes, including the rationale behind such changes. Alert the reader to all substantive matters or changes. If applicable, generally describe the existing regulation.

The changes to these three sections of Chapter 20 are being made to conform to the Model Rules of Racing published by the Association of Racing Commissioners International. By conforming to the Model Rules, it will be easier for horsemen from other jurisdictions to race their horses in Virginia and also make the regulations for Pari-Mutuel wagering fairer for the betting public.
