12 VAC 5-90-185. Patient Notification.

In accordance with §32.1-71.01 of the Code of Virginia, the Virginia Cancer
Registry shall inform each person reported with a malignant tumor or cancer to
the registry by a Virginia hospital, clinic, laboratory, or physician that personal
identifying information about him has been included in the registry. Beginning
with cases diagnosed on January 1, 2001, notification will be made within 30
days of receipt of a case record containing complete patient identity and address
information. The notification will include the purpose, objectives, reporting
requirements, confidentiality policies and procedures of the statewide cancer
registry and a copy of §2.1-378 of the Privacy Protection Act.
