The Code of Virginia (1950) as amended, § 32.1-325, grants to the Board of Medical Assistance Services the authority to administer and amend the Plan for Medical Assistance. The Code of Virginia (1950) as amended, § 32.1-324, authorizes the Director of DMAS to administer and amend the Plan for Medical Assistance according to the Board's requirements. The Medicaid authority as established by § 1902 (a) of the Social Security Act [42 U.S.C. 1396a] provides governing authority for payments for services.

### Purpose

Please explain the need for the new or amended regulation. Describe the rationale or justification of the proposed regulatory action. **Describe the specific reasons the regulation is essential to protect the health, safety or welfare of citizens.** Discuss the goals of the proposal and the problems the proposal is intended to solve.

The purpose of this action is to implement the changes required by House Bill 675, approved March 29, 2016, which stated that DMAS was to provide Medicaid coverage to auxiliary grant recipients living in approved supportive housing, and stated that DMAS "shall seek to amend the

state plan for medical assistance under Title XIX of the Social Security Act, and any waivers thereof, to implement the necessary changes pursuant to the provisions of this act."

Currently, the only approved residential settings for auxiliary grant recipients are assisted living facilities and adult foster homes. HB675 added supportive housing as an approved residential setting for AG recipients.

A new subsection (c) is included in the state plan to achieve this purpose. Language in subsections (a) and (b) has been updated to reflect the current rate.
