Brief Summary

Please provide a brief summary (preferably no more than 2 or 3 paragraphs) of this regulatory change (i.e., new regulation, amendments to an existing regulation, or repeal of an existing regulation). Alert the reader to all substantive matters. If applicable, generally describe the existing regulation.

During its 2017 session, the General Assembly enacted Chapter 594 of the Acts of Assembly which amended §§ 59.1-69, 59.1-70 and 59.1-74 of the Code of Virginia effective January 1, 2020. The Real Estate Board is amending its regulations to conform to the statutory changes made as a result of these amendments. The regulation being amended (18 VAC 130-20-20) contains language which is no longer applicable as a result of the statutory changes. The amendments conform the relevant regulation to the amended Code of Virginia. The board is promulgating this regulatory action to conform the regulation to the law and there is no agency discretion pursuant to § 2.2-4006.A.4.a of the Code of Virginia.

Mandate and Impetus

Please identify the mandate for this regulatory change, and any other impetus that specifically prompted its initiation (e.g., new or modified mandate, internal staff review, petition for rulemaking, periodic review, board decision, etc.). "Mandate" is defined as "a directive from the General Assembly, the federal government, or a court that requires that a regulation be promulgated, amended, or repealed in whole or part."

This regulatory change is required because the amendments made to the Code of Virginia by the General Assembly necessitate it.

Statement of Final Agency Action

Please provide a statement of the final action taken by the agency including: 1) the date the action was taken; 2) the name of the agency taking the action; and 3) the title of the regulation.

The Real Estate Board reviewed and adopted the final regulation, entitled "Real Estate Regulations" on January 23, 2020.
