MEMORANDUM

To: Courtney M. Malveaux, Commissioner
Department of Labor and Industry

From: Joshua N. Lief
Senior Assistant Attorney General

Date: August 20, 2013

Subject: Letter of Assurance for Proposed Regulations - 16VAC25-90-1910.97, Nonionizing Radiation, §1910.97; 16VAC25-90-1910.145, Specifications for Accident Prevention Signs and Tags, §1910.145; 16VAC25-90-1910.261, Pulp, Paper, and Paper Board Mills, §1910.261; 16VAC25-175-1926.200, Accident Prevention Signs and Tags, §1926.200; 16VAC25-175-1926.201, Signaling, §1926.201; and 16VAC25-175-1926.202, Barricades, §1926.202

I have reviewed the Department of Labor and Industry's proposed Regulations referred to above that were posted on the Virginia Regulatory Town Hall on August 20, 2013. In my view, as counsel to the Department of Labor and Industry, these regulations may be promulgated pursuant to Title 40.1 of the Code of Virginia. Moreover, this regulatory action is exempt from the Administrative Process Act pursuant to § 2.2-4006 A.4.c. because the revision is necessary to meet the requirements of federal law or regulations. The regulations do not appear to conflict with the Constitution of the United States or the Constitution of the Commonwealth of Virginia, nor do they appear to conflict with any federal or state law currently in effect.

This memorandum addresses legal matters only and is not intended to serve, nor should it be construed, as a comment for or against the merits of the proposed regulations.
