The Virginia Enterprise Zone (VEZ) program is partnership between state and local government that encourages job creation and private investment. VEZ accomplishes this by designating Enterprise Zones throughout the state and providing two grant-based incentives, the Job Creation Grant (JCG) and the Real Property Investment Grant (RPIG), to qualified investors and job creators within those zones, while the locality provides local incentives.

VEZ grants are subject to an annual appropriation by the General Assembly. By statute, the Job Creation Grants (JCGs) receive funding priority. After fully funding the JCGs, the remaining funds will be allocated to the Real Property Investment Grants (RPIGs) and the amount paid to each RPIG applicant will be prorated proportionally should grant requests exceed the remaining funds.

In Grant Year 2023, RPIGs were fully funded for the third consecutive year. In the past, the program faced challenges in fully funding grant applications. Since 2021, however, there has been an increase in program funding,, allowing for the full financing of JCG and RPIG grants.

SUMMARY | ELIGIBILITY REQUIREMENTS

To be eligible, companies must be located within the boundaries of an Enterprise Zone.

To determine whether your company is located in an EZ, contact your locality's Economic Development Department.

ELIGIBILITY REQUIREMENTS:

- Must create at least 4 net new permanent full-time positions over the base year employment total.
- Base Year employment can be either of the two calendar years immediately preceding the first grant year. For Grant Year 2024, the Base Year may be either 2023 or 2022.
- Base Year employment is established in the first grant application and remains the same for the full 5-year period.
- Eligible positions must meet wage and health benefit requirements:
 - Positions must earn at least 150% of the minimum wage (125% in High Unemployment Areas and for SWaM-certified businesses) (see page 11 for more info)
 - Firms must offer to cover at least 50% of employee's health insurance premium (employees may choose to waive the health benefit)

INELIGIBLE APPLICANTS:

The following are prohibited from applying for the JCG:

- units of local, state, or federal government
- nonprofit, other than those classified as NAICS 813910 and 813920
- positions: personal service, food and beverage, and retail

(For a detailed list, see Chart of Activity Numbers on page 33.)

GRANT TERM:

Grants are awarded for 5-year periods beginning with the first grant year in which a JCG was awarded. To be eligible in years 2-5, the firm must maintain or increase the number of eligible permanent full-time positions (above the four-job threshold) over base year employment. Firms may apply for a subsequent 5-year period given they meet the grant eligibility requirements. See Appendix A for more information on subsequent 5-year periods.

GRANT CALCULATIONS:

JCG awards are determined by the wages paid and the number of months positions were filled during the Grant Year. Grants are available in amounts of:

- Up to **\$500 per grant eligible position** filled by an employee earning at least 150% of the minimum wage (125% for businesses in HUAs and SWaM-certified businesses) *must meet all other eligibility requirements (including offering health benefits)
- Up to **\$800 per grant eligible position** filled by an employee earning 175% of the minimum wage *must meet all other eligibility requirements (including offering health benefits)
- Firms may receive grants for up to 350 positions per year.

According to the Virginia Code (13VAC5-112-10), “minimum wage” means the federal minimum wage or the Virginia minimum wage, whichever is higher as determined for the current calendar year as of December 1 of the prior calendar year by the department. Such determination will be continuously in effect throughout the calendar year, regardless of changes to the federal minimum wage or the Virginia minimum wage during that year.

The upcoming grant cycle is Grant Year 2024 and includes jobs created in calendar year 2024. On December 1, 2023 the state minimum wage was \$12.00 per hour (and higher than the federal minimum wage.)

ELIGIBLE BUSINESSES	PERCENT OF MINIMUM WAGE	WAGE RATE THRESHOLD	GRANT PER PFTE
All businesses	175%	\$21.00/hour	\$800 per PFTE
All businesses	150%	\$18.00/hour	\$500 per PFTE
HUA/SWaM-certified businesses	125%	\$15.00/hour	\$500 per PFTE

*More info on HUA and SWaM-certified businesses on page 11.

GENERAL LIMITATIONS:

A firm can receive Job Creation Grants for a maximum of **350 grant-eligible positions per year**. Firms with multiple locations in Enterprise Zones can receive Job Creation Grants for a maximum of 350 positions total. For example, if a firm has a location in the Martinsville EZ and the Petersburg EZ, they can only qualify 350 total positions for the two locations. Although businesses may qualify for both the Enterprise Zone Job Creation Grant and the **Major Business Facility Job Tax Credit**, firms may not qualify the same positions for both incentive programs.

EMPLOYMENT REQUIREMENTS:

Job Creation Grants are awarded for the creation of net new permanent full-time positions meeting certain wage and health benefits requirements. Given the normal turnover of employees, it is possible that several employees will fill one permanent full-time position in any one calendar year. This is acceptable if it is not “job sharing” where two employees, each working part-time, fill one position.

ELIGIBLE EMPLOYEES

(INCLUDED ON JCG WORKSHEET or JCG-HUA/SWaM Worksheet)

A person employed by a business firm, located within an Enterprise Zone, who is **normally scheduled** to work **full-time**, based on the following criteria:

- Minimum of 35 hours per week for the entire normal year of the business firm's operations, which a normal year must consist of at least 48 weeks;
- Minimum of 35 hours per week for a portion of the taxable year in which the employee was initially hired for or transferred to the business firm; or
- Minimum of 1,680 hours per year if the standard fringe benefits are paid by the business firm for the employee.

Grant awards will be prorated based on the number of **full months** of the grant year in which the employee met the wage and health benefits requirements. The following situations would trigger the proration of the \$500 and \$800 grant per position:

- An employee was employed less than 12 months during the grant year.
- An employee only met the wage and health benefits requirements for a portion of the grant year.
- The employee's wages changed.

INELIGIBLE EMPLOYEES

(INCLUDED ON JCG WORKSHEET or JCG-HUA/SWaM Worksheet)

Positions paid **less than 150%** of the minimum wage (\$18.00/hour) **or less than 125%** of the minimum wage (\$15.00/hour) for businesses in HUAs and SWaM-certified businesses.

- Positions that were **not offered health insurance coverage** equal to at least 50% of health insurance premium based on the health benefits agreement.
- **Employees not meeting wage or health insurance thresholds should be included on the worksheet but will be automatically filtered out of the grant calculations on the JCG Worksheet in Excel (the cells will automatically black out).**

INELIGIBLE EMPLOYEES

(NOT INCLUDED ON JCG WORKSHEET or JCG-HUA/SWaM Worksheet)

- Positions not meeting the statutory definition of 'Full-Time', as defined in the Glossary at the end of this document.
- Positions in retail, personal service, or food and beverage services.
- Positions that are seasonal, temporary, leased, or contracted.
- Positions that previously existed elsewhere in the Commonwealth, including any positions that were transferred from outside a zone location to a zone location.
- Positions created by a business that is simultaneously closing or downsizing other facilities in the Commonwealth.
- A person that was previously employed in the same job function in Virginia by a related party, or a trade or business under common control. This includes positions filled by a business that was then purchased by another taxpayer who continued its operation (not net new to Virginia).
- A person that previously qualified for a JCG in connection with a different Enterprise Zone location on behalf of the applicant taxpayer, a related job, or a trade or business under common control (cannot claim the same job twice).
- A person whose position previously qualified a firm for the Major Business Facility Tax Credit.
- **EXAMPLE** - My business is not a retail business, but I have retail positions. Is my firm eligible for JCG? If your business firm is not a retail business, you can only include those positions that are not retail, food/beverage, or personal service positions for the purposes of qualifying for the Job Creation Grant. For example: A hotel is a qualified business for JCG purposes. However, positions in a hotel restaurant or gift shop should be excluded.

HIGH UNEMPLOYMENT AREAS (HUAs)

Businesses located in HUAs and SWaM-certified businesses are eligible to apply for the JCG at the reduced wage rate threshold of \$15.00/hour, or 125% of minimum wage.

Any business applying as an HUA applicant must select the appropriate box on the online application indicating that the application is for a business in an HUA or a SWaM-certified business and must complete the **JCG-HUA/SWaM Worksheet**. This document is specifically tailored to accommodate the reduced wage rate threshold.

LOCALITY	ZONE #
Brunswick County*	32B
City of Danville*	1 & 57B
Dickenson County*	49A
City of Emporia*	43B
City of Hopewell	9
City of Petersburg	10

*The following communities in joint zones are **NOT HUAs**:

- Mecklenburg County
- Pittsylvania County
- Town of Clintwood
- Town of Haysi
- Greensville County

Businesses in the above listed communities are **NOT ELIGIBLE** for the reduced wage threshold.

Any existing business that has previously applied for the JCG as an HUA applicant in one of these zones may continue to qualify at 125% of the minimum wage for the remainder of their 5-year grant period, even if the locality is no longer considered an HUA.

Any new businesses applying for the JCG in these zones must pay **at least 125% of the minimum wage** to qualify.

SWaM-CERTIFIED BUSINESSES

2021 legislation passed allows for **SWaM-certified (Small, Women-owned, and Minority-owned) businesses to be eligible to use the reduced wage threshold (125% minimum wage=\$15.00/hour) to qualify for the \$500 grant amount**. To be eligible at the reduced wage threshold, the company must have been SWaM-certified in calendar year 2024. SWaM-certified businesses must select the appropriate box on the online application indicating that the application is for a business in an HUA or a SWaM-certified business and must complete the **JCG-HUA/SWaM Worksheet**.

Look up whether a business is SWaM-certified on the online directory-

REQUIRED APPLICATION MATERIALS

| EZ APPLICATION SYSTEM |

Hard copies are no longer accepted. Applicants must submit their application and all required supporting documentation electronically through the EZ Online Submission System.

- Commonwealth of Virginia FORM W-9 (federal IRS form NOT accepted)
- Local Zone Administrator (LZA) Review Form
- Applicant Declaration Form
- JCG Worksheets or JCG-HUA/SWaM Worksheets

(In year one, all firms are required to submit Sheets 1 & 2 from the JCG Worksheet. In years 2-5, only firms that are exempt from the attestation are required to submit the JCG Worksheets 1 & 2.)

- CPA Attestation Report Form (if applicable)

(As provided in §59.1-547, A CPA attestation is a required component to ALL JCG applications except: When the applicant has a Base Year employment ≤ 100 PFTP AND Grant Eligible positions ≤ 25 PFTP.)

Applicants should print and retain the application for their records. To print the application before submitting, the user may use the “print” function in their browser. For example, on Chrome, click the three vertical dots on the right-top corner, then select “print” from the pop-up menu. Applicants can also print after submission. Details and instructions regarding each of the listed application materials are included in the following sections. All supplemental forms are available on the EZ Online Submission System site at <https://dmz1.dhcd.virginia.gov/EZonePortal/Default.aspx>

| SUBMISSION DEADLINE |

All application materials are due **by 11:59 p.m. on April 1, 2025.**

JCG WORKSHEET & JCG-HUA/SWaM WORKSHEET

The JCG Worksheet and JCG-HUA/SWaM Worksheet must be completed and uploaded to complete the application. Business firms applying as HUA or SWaM applicants must use the JCG-HUA/SWaM Worksheet. All other business firms should use the standard JCG Worksheets.

To determine eligibility, the business firm will then need to utilize I-9 or comparable employment documentation to verify the start date of permanent full-time employment for all permanent full-time positions in the base year and grant year and identify which permanent full-time positions are net new after the base year. If the company has created at least 4 new permanent full-time positions, **the firm must complete the applicable JCG Worksheet or JCG-HUA/SWaM Worksheet to calculate eligible employment in the base and grant years.**

The JCG Worksheet and JCG-HUA/SWaM Worksheet are **Excel spreadsheets** that tabulate information on all employees filling permanent full-time positions and the hourly wage rates of the employees hired in the grant year. Based on the work dates and applicable wage rates entered for the net new positions, the remainder of the qualification information is automatically calculated within the Worksheet. The grant award for each position is determined based on the wages entered for each grant-eligible position, and the full months they were employed in the grant year. The JCG Worksheet and JCG-HUA/SWaM Worksheet are available at <https://dmz1.dhcd.virginia.gov/EZonePortal/>.

WORKSHEET: SHEET 1

1. Determine the Grant Year.

- The calendar year for which the firm is requesting the Job Creation Grant must be **2024**.

2. Determine the Base Year.

- The base year is either of the two calendar years immediately preceding a business firm's first year of grant eligibility.
 - For Grant Year 2024, Year 1 applicants may choose from calendar year 2023 or 2022 as the base year.
- **Base Year Employment is a static number and should remain the same for each year in the firm's five-year grant period.** Therefore, firms applying in Years 2-5 should report the same base year employees on the JCG Worksheet or JCG-HUA/SWaM Worksheet and Part II, Box 3 in the EZ Application System as was reported on their Year 1 application and Worksheet.

IMPORTANT:

The columns of the Worksheets must be filled out from LEFT TO RIGHT. Filling out the columns out of order may result in calculation errors, as it may allow wages to be entered for ineligible employees.

Please note the following settings in the Worksheets:

- The cells and formulas within the Worksheet are **locked**. The applicant can only enter in information where requested; no formulas can be overridden.
- Some columns are **hidden** (in order for the auto-calculations to function) and are therefore not visible to the user.
- The Worksheet will also highlight cells in red when duplicate names and/or SSNs have been entered.
- All **shaded** columns in the Worksheet automatically populate; the applicant only has to enter in values in the **non-shaded** columns and the yellow wage rate column.

| COLUMNS A-D: EMPLOYEES FILLING PERMANENT FULL-TIME POSITIONS |

1. Column C: “Employee Name” *List all employees filling permanent full-time positions (EF-PFTPs) in **alphabetical order**, beginning with Base Year employees, followed by Grant Year employees. Due to locks on the spreadsheet, applicants will not be able to use the “sort” function in Excel to alphabetize the employees’ names.*

- Include **every employee that worked in the base year** in a permanent full-time capacity regardless of how many months he or she was employed. This could be one day, one week, one month, or the full year. All EF-PFTPs that worked during the base year must be included on the list with the exception of unqualified positions described on Page 10.
- The Worksheet has a function that highlights cells in red when duplicate names and/or SSNs/Employee ID numbers have been entered. If an employee has been intentionally entered twice due to the reasons described in the text box below, ignore the red cells.
- **BASE YEAR EMPLOYEES SHOULD ONLY BE LISTED ONCE**, unless there was a gap in employment (ex. an employee that left for 2 months and was rehired). Base Year employees should NOT be listed more than once to reflect changes in wages.

2. Column D: “Last 4 Digits of SSN or employee ID number” *Enter in the last 4 digits of each employee’s social security number. Employees may be assigned an employee ID number to be used in place of the SSN.*

3. Column B: “Included in CPA Sample Y/N” CPA must indicate which employees have been selected to be sampled through preparation of the CPA Attestation Report. **This is the final step of the Worksheet.**

4. Repeat steps 1-3, listing all EF-PFTPs in the grant year. Include every employee that worked in the grant year in a permanent full-time capacity regardless of how many months he or she was employed. The result should be 2 alphabetical lists of employees, with the base year employees listed first, and the grant year employees listed second. See the information below for directions on reflecting Grant Year employees with wage fluctuations.

Employees should only be listed on the JCG worksheet once UNLESS:

- An employee was employed during two or more separate periods in the base or grant year.
- A grant-year employee’s wages fluctuated during the grant year. This does NOT apply to base year employees.

In the template above, Henry Lee III is listed twice due to a wage fluctuation and John Tyler Sr. is also listed twice because he was employed during two separate time periods within the grant year.

The SSN cells for Patrick Henry & Thomas Jefferson along with John Page & Allison Williams are highlighted because the same value has been entered twice. This could be a coincidence, or it could be an error. The red is a warning to double check.

| COLUMNS E-M: BASE AND GRANT YEAR EMPLOYMENT |

To complete this portion of the JCG Worksheet, firm management must utilize the employees' payroll record documentation and I-9 Form.

- 5. Column E: "First work date in base year"** Enter first work date of EF-PFTP in base year.
 - All dates entered in Columns E & F must fall within the base calendar year.
 - For employees who were only employed during the grant year, Columns E and F should be left blank.
- 6. Column F: "Last work date in base year"** Enter last work date of EF-PFTP in base year.
 - The months worked in the base year (Column I) for each employee filling a permanent full-time position will be automatically calculated.
 - Column I will highlight red if the total months worked is greater than 12. This indicates an error in dates entered, and Steps 5-6 should be corrected.
 - *Example:* James Monroe (Employee Line 12) was hired in 2024. For this reason, Columns E and F are left blank for the row pertaining to his base year work dates.
- 7. Column J: "First work date in grant year 2024"** Enter the first work date of EF-PFTP in the grant year.
 - All dates entered in Columns J & K must fall within the grant calendar year (2024).
 - Columns J and K should be left blank for employees who worked in the base year but not grant year.
 - *Example:* William Fleming & Benjamin Pratt (Employee Lines 1 & 7) was only employed in the base year 2022. For this reason, Columns J and K are left blank for the row pertaining to his employment.
- 8. Column K: "Last work date in grant year 2024"** Enter in the last work date of EF-PFTP.
 - The months worked in the grant year (Column M) for each employee filling a permanent full-time position will be automatically calculated.

| COLUMNS N-O: HEALTH BENEFITS & HOURLY WAGES FOR GRANT YEAR EMPLOYEES |

To complete this portion of the JCG Worksheet, firm management must utilize the employees' payroll record documentation, I-9 Form, and Health Benefits records.

9. Column N: "Offered Health Benefits Y/N" For the employees listed only in the grant year, indicate their health benefits status.

- "Y" indicates that the employee received or was offered health benefits; "N" indicates the employee did not receive or was not offered health benefits.
- Column N may be left blank for any employees that worked in the base year.
- The hourly wage column (Column O) is programmed to shade black for any grant year employees that were not offered health benefits, as indicated by an "N".
- **DO NOT enter the wage rate for employees not offered health benefits. If this column does not shade black, the excel sheet has not been completed correctly. Employees not offered health benefits are NOT eligible.**

Example: John Page (Employee Line 13) was not offered health insurance. The "N" in Column N automatically triggered Column O to shade in black.

10. Column O: “Hourly wage rate for Employees listed ONLY in Grant Year” Enter hourly wage rates for grant year employees who received or were offered health benefits.

- Employees with wage fluctuations will be entered on multiple lines, reflecting the grant year dates worked at each wage. Wage fluctuations should not be reflected for base year employees.
- **Wages should never be entered for employees that worked in the base year.** The worksheet is programmed to shade the applicable wage cell in black since these are not new positions.
- **Wages should never be entered for employees not offered health benefits.**
- **Starting, Ending, or Average Wages should NOT be used to reflect an annual hourly wage.**
- *Example:* Henry Lee III (Employee Lines 10-11) received a wage raise, effective March 6th as reflected in Columns J-K and Column O

| COLUMNS P/Q/R/S: FULL MONTHS FOR GRANT YEAR EMPLOYEES |

Based on the wages entered for the grant year employees filling permanent full-time positions, all the Columns P, Q, R, & S auto-populate such that the applicant does not have to manually distribute the total number of months each employee met the 150% (or 125% for businesses in HUAs and SWaM-certified businesses) or 175% of the minimum wage grant eligibility requirement.

****Note: Column S appears only on the JCG HUA/SWaM worksheet.**

Employment calculations for the base year and grant year are based on full-months. As such, the 4-job threshold is equivalent to **48 full-months** worked in excess of the full-months worked in the base year.

If a firm hires 5 employees on October 1 of the grant year (assuming no turnover), each employee will work 3 full-months in the grant year for a total of 15 full-months in the base year. While the firm hired 5 *people*, the firm would NOT exceed the 4-job threshold because each person only worked a small portion of the year.

When Box 4D is greater than Box 5G... Use numbers in Boxes E and F to calculate the grant amounts in Boxes 6A and 6B.

When Box 4D is less than Box 5G....

If Box E = 0: Multiply Box D by \$500 and enter total in Box 6B and “0” in Box 6A.

If Box F = 0: Multiply Box D by \$800 and enter total in Box 6A and “0” in Box 6B.

If values in both Boxes E and F:

- If Box E is less than D, multiply Box E by \$800 and enter total in Box 6A. Then subtract Box E from Box D, multiply by \$500, and enter total in Box 6B.
- If Box E is greater than Box D, multiply Box D by \$800 and enter total in Box 6A, and “0” in Box 6B

When Box 4D or Box 5G are greater than 350...

If the number of grant eligible positions is greater than 350: Follow the calculation instructions described above. | TAXABILITY OF GRANTS |

Under IRS regulations, grant awards may be considered taxable income. A 1099 will be issued to all EZ grantees for the grant awards received. For tax-related questions, please contact your tax professional for guidance.

Note: If a grant applicant has any type of outstanding liability to the State (such as an outstanding tax liability), the awarded grant amount will be reduced by the dollar amount of the liability. DHCD does not have records of potential liabilities as this process is handled outside the agency. **If you receive a grant award that is less than the amount noted in the qualification letter, please call the Department of Accounts at (804) 371-8383.**

| RECORD KEEPING REQUIREMENTS |

The Department may at any time review an applicant's records related to qualification under this section to assure that information provided in the application process is accurate. Qualified Zone Investors shall maintain all documentation regarding JCG qualification for a minimum of three years following the receipt of the grant. Grants that do not have adequate documentation regarding qualified real property investments may be subject to repayment. **All JCG grantees are monitored for their first grant year.** Job Creation Grants that do not have adequate documentation regarding permanent full-time positions, [report to work](#) criteria, wage rates, or the provision of health benefits may be subject to repayment. The digital version along with a hard copy print out must be kept on file with other grant request records.

APPENDIX A

A. Requesting a Second or Subsequent five-year Job Creation Grant Period

Business firms who have finished their first 5-year incentive period may qualify for a subsequent grant period provided that they are still creating new jobs eligible to receive Job Creation Grants.

If a second or subsequent five-year grant period is requested within two years after the previous five-year grant period, the subsequent base year will be the last grant year.

If a business firm applies for a subsequent five-year grant period beyond the two years immediately following the completion of the previous five-year grant period, the business firm shall use one of the two preceding calendar years as subsequent base year, at the choice of the business firm.
