RE: Change of Tutor Rates

Effective September 1, 2022 there will be a \$10 increase in the tutor rates for both the statewide and the northern Virginia areas. The increase will affect the regular tutoring rates in homes and schools, and business tutoring rates at employment sites. The following are the technology tutor rates that will take effect:

- | | |
|--|-------------------------|
| 1. Statewide regular tutoring in home or school: | From \$45/hr to \$55/hr |
| 2. Northern VA regular tutoring in home or school: | From \$55/hr to \$65/hr |
| 3. Statewide business tutoring at worksite: | From \$60/hr to \$70/hr |
| 4. Northern VA business tutoring at worksite: | From \$70/hr to \$80/hr |

The formula for report writing will reflect this increase. The rate for report writing is:

50% of the hourly rate being paid for the assignment with a one hour maximum allowed

This directive will be added to the DBVI Document Repository.
