Cost Benefit Analysis

Complete Tables 1a and 1b for all regulatory actions. You do not need to complete Table 1c if the regulatory action is required by state statute or federal statute or regulation and leaves no discretion in its implementation.

Table 1a should provide analysis for the regulatory approach you are taking. Table 1b should provide analysis for the approach of leaving the current regulations intact (i.e., no further change is implemented). Table 1c should provide analysis for at least one alternative approach. You should not limit yourself to one alternative, however, and can add additional charts as needed.

Report both direct and indirect costs and benefits that can be monetized in Boxes 1 and 2. Report direct and indirect costs and benefits that cannot be monetized in Box 4. See the ORM Regulatory Economic Analysis Manual for additional guidance.

Table 1a: Costs and Benefits of the Proposed Changes (Primary Option)

<p>(1) Direct & Indirect Costs & Benefits (Monetized)</p>	<p>Chapter 729 (HB 731) of the 2024 Acts of the Assembly requires that the Board of Education (“Board”) “eliminate the requirement for any individual to take and receive a passing score on the Virginia Communication and Literacy Assessment [“VCLA”] as a condition of the initial award or renewal of a renewable license as a teacher in the Commonwealth.” Chapter 729 requires the Board to revise guidance documents to comply with the requirement to eliminate the VCLA.</p> <p>The Guidelines for Prescribed Professional Teacher’s Examinations includes assessments prescribed by the Board for licensure, including passing scores on the VCLA as set by the Board. Attachment 1 is a revised version of the Guidelines for Prescribed Professional Teacher’s Examinations to remove the VCLA as an assessment prescribed by the Board. The revised version of the guidance document will be submitted to Town Hall in accordance with the Administrative Process Act.</p> <p>In November 2005, the Board passed Resolution 2005-23 (Policy Statement for Implementing in Virginia Approved Programs the Virginia Communication and Literacy Assessment), which provides a waiver so that individuals who graduated from Virginia approved programs prior to December 31, 2006, and who have taken and passed the Praxis I (ACT or SAT); Praxis II, and the Virginia Reading Assessment would not be required to take and pass the VCLA. This resolution is currently a Board guidance document on Town Hall. Since Chapter 729 requires the Board to eliminate the requirement that any individual take and receive a passing score on the VCLA, the guidance document may be repealed.</p>
