

Department of Health Professions

DIRECTOR'S POLICY # 76-2.1 Promulgation of Rules

Effective Date: November 20, 2009

Approved By:

Sandra Whitley Ryals, Director

Purpose: To facilitate compliance with law and policy governing the promulgation of rules by the Department.

Policy: It is the policy of the Department to closely coordinate and manage rulemaking to achieve the objective law and directive of the Executive Branch in the promulgation of regulations and comply with requirements of the Code Commission and Registrar of Regulations.

- Procedures:**
1. The Senior Policy Analyst is designated as the Regulatory Coordinator for purposes of complying with requirements of Legislative and Executive Branch offices and agencies in the promulgation of regulations.
 2. The Regulatory Coordinator shall be notified of every Board or Committee meeting at which regulations will be discussed or acted upon.
