**NEW BUSINESS**

Mr. Wilkes provided an update on Milk Commission activity since the last meeting. Since February, the Commission lost Bob Farrier, a long-time dairy accountant, to retirement, and added Jacinda Hardy and Leah Mathur, two new accountants to its staff.

Retail milk sales are up 1.5% year to date compared to last year. There is significant growth in the Eastern Market in August and September, which is partially due to school districts beginning earlier in the year. Sourcing of school milk does not appear to be as problematic as previous years. However, the earlier beginning of the school year has posed some challenges to processor milk base allocations. Eggnog sales beginning earlier in the year will cause a similar problem to a lesser degree. Retail pricing in regulated markets was reviewed along with pricing surveys in unregulated markets. The board discussed how the surveys were conducted including which products were captured. The cause of increasing retail price increases nationally was also discussed.

Two factors that the Commission uses in calculating the monthly producer price were reindexed using the USDA base of 2011 instead of the previously used base of 1914. The Milk Commission's base remains 1997, and this process has no monetary impact on the price calculation but will reduce the likelihood of the factors becoming obsolete.

Processing cost studies are behind schedule as a result of staffing challenges this summer, but will be completed on time for review at the next Commission meeting.

**ELECTRONIC MEETING POLICY**

Mr. Wilkes presented the Board’s electronic meeting policy for its annual approval. Mr. Watters moved to adopt the policy, effective October 16, 2024. Mr. Craun seconded the motion.

**APPROVE:** Craun, Martin, Kerr, Watters  
**OPPOSE:** None

**MILK DISTRIBUTOR LICENSES**

A temporary license to distribute milk was presented to the Board. The distributor for approval is an existing Milk Commission milk distributor that has changed ownership. Mr. Watters motioned to approve the amended licenses as permanent, and Mr. Craun seconded the motion.

**APPROVE:** Craun, Martin, Kerr, Watters  
**OPPOSE:** None

## STATE MILK COMMISSION

### POLICY ON PARTICIPATION IN BOARD OF STATE MILK COMMISSION MEETINGS BY ELECTRONIC COMMUNICATIONS PURSUANT TO VA. CODE § 2.2-3708.3

It is the policy of the Board of the State Milk Commission (Board) that individual members of the Board may participate in meetings of the Board by electronic communications as permitted by § 2.2-3708.3 of the Code of Virginia. This policy shall apply to the entire membership and without regard to the identity of the member requesting remote participation or the matters that will be considered or voted on at the meeting.

Whenever an individual member wishes to participate from a remote location, the law requires a quorum of the Board to be physically assembled at the primary or central meeting location.

When such individual participation is due to a personal matter, such participation is limited by law to two meetings per calendar year or 25 percent of the meetings held per calendar year rounded up to the next whole number, whichever is greater.

Further, it is the policy of the Board that the Board may hold all-virtual public meetings pursuant to subsection C of § 2.2-3708.3. Such all-virtual public meetings are also limited by law to two meetings per calendar year or 25 percent of the meetings held per calendar year rounded up to the next whole number, whichever is greater. Additionally, an all-virtual public meeting may not be held consecutively with another all-virtual public meeting.

Requests for remote participation or that the Board conduct an all-virtual public meeting shall be conveyed to the Secretary of the Board, who shall then relay such requests to the President of the Board.

Individual participation from a remote location shall be approved unless such participation would violate this policy or the provisions of the Virginia Freedom of Information Act (§ 2.2-3700 et seq. of the Code of Virginia). If a member's participation from a remote location is challenged, then the Board shall vote whether to allow such participation.

The request for remote participation or that the Board conduct an all-virtual public meeting shall be recorded in the minutes of the meeting. If the Board votes to disapprove of the member's participation because such participation would violate this policy, such disapproval shall be recorded in the minutes with specificity. The minutes shall include other information as required by §§ 2.2-3707 and 2.2-3708.3 depending on the type of remote participation or all-virtual public meeting.

This policy applies to all committees and subcommittees of the Board.
