

Due to the COVID-19 declared state of emergency and consistent with Amendment 28 to HB29 (Budget Bill for 2018-2020) and the applicable provisions of § 2.2-3708.2 in the provisions of Freedom of Information Act, the Board convened a virtual meeting to consider such regulatory and business matters as presented on the agenda necessary for the board to discharge its lawful purposes, duties, and responsibilities.

- PURPOSE OF HEARING:** To receive public comment on the Board’s proposed regulatory change to amend its regulations to specify that the requirement for persons licensed or registered by the Board to conduct "one's practice in such a manner so as to make the practice a danger to the health and welfare of one's clients or to the public " precludes the provision of conversion therapy and to define what conversion therapy is and is not. The goal is to align regulations of the Board with the stated policy and ethics for the profession of social work. The specific language of the proposed regulations is found in 18VAC140-20-60: "13.
