

GCSRAC MEETING AGENDA

May 14, 2024 Meeting

Time: 12 Noon to 2 PM (as necessary)

Place: 742 Miller Drive SE, Leesburg, VA 20175
(Corner of Sycolin Road and Miller Drive)

Review and approval of minutes from previous meeting.

First Item: Update on Dominion Power Line Crossing of Goose Creek, and related lines parallel to the creek. We should be able to have a map to view at the meeting. This link is helpful:

Second Item: Luck Stone Quarry. Brian Wilson has relayed a letter from the Virginia Outdoors Foundation to Luck Stone denying a request for a pavilion at the quarry but on the VOF easement. Please read the attachment. I have invited Luck Stone to address, and if time permits, I may reach out to the VOF, though we may want them to appear separately if they desire to speak at all.

Third Item: Update on Luck Stone's Cochran Mill rezoning. We have commented on this.

Fourth Item: Goose Creek Village Rezoning. This is the one with the large wall. It is still in progress with the County. I have met with the developer (John Cox and I met with him last year), and I may ask if he wants to speak. I will brief everyone to see if we want to supplement our original response.

Other items as members request. Input encouraged.
