Re: Amendments to Regulations Concerning Definition of Volatile Organic
Compound (9VAC5 Chapter 10, Rev. G09)

Dear Director Paylor:

I have reviewed the above-referenced amendments as approved by the State Air Pollution Control Board on September 3, 2009 for promulgation for public comment in accordance with the fast-track procedure authorized by Code § 2.2-4012.1.

It is my view that the Board possesses statutory authority to issue the above-referenced final amendments.

Sincerely,
