**MEMORANDUM**

Virginia Department of Environmental Quality

**RE:** Adopt a new regulation for municipal solid waste landfills that incorporates new EPA requirements, 9VAC5-40

---

I have reviewed the above-referenced regulations of the State Air Pollution Control Board. It is my opinion that the Board has the authority to adopt these regulations based upon applicable law, including Article 1 of Chapter 13 of Title 10.1 of the Code of Virginia, and specifically, Code § 10.1-1308. The regulations do not exceed the Board's rulemaking authority. It is further my opinion that this action is exempt from Article 2 of the Administrative Process Act, pursuant to Code § 2.2-4006(A)(4)(c), because the regulations are necessary to meet the requirements of federal law or regulations and do not differ materially from federal requirements.

If I may be of any further assistance to you relating to this matter, please do not hesitate to contact me.
