## MEMORANDUM

**To:** Mark D. Kinser, Chairman  
Board for Contractors  
Department of Professional and Occupational Regulation

Eric Olson, Executive Director  
Board for Contractors  
Department of Professional and Occupational Regulation

**From:** Eric A. Gregory  
Assistant Attorney General

**Date:** May 17, 2006

**Subject:** Letter of Assurance for Amendments to Regulations to add Certified Elevator Mechanics

---

I have reviewed the Board for Contractors' amendments to its Individual License and Certification Regulations to provide for Certified Elevator Mechanics and other provisions that were posted on the Virginia Regulatory Town Hall internet site on May 5, 2006. In my view, as counsel to the Board for Contractors, the Board may promulgate these regulations pursuant to §§ 54.1-201(5), 54.1-1102, 54.1-1142(A), and 54.1-1143(A) of the *Code of Virginia*. The regulations do not appear to conflict with the Constitution of the United States or the Constitution of the Commonwealth of Virginia, nor do they appear to conflict with any federal or state law currently in effect.

This memorandum addresses legal matters only and is not intended to serve, nor should it be construed, as a comment for or against the merits of the proposed regulations.
