## Exempt Agency Proposed Regulation Agency Background Document

<b>Agency Name:</b>	Virginia Department of Environmental Quality
<b>VAC Chapter Number:</b>	9 VAC 25-630-10 et seq.
<b>Regulation Title:</b>	General Virginia Pollutant Abatement (VPA) Permit Regulation for Poultry Waste Management
<b>Action Title:</b>	Amendment of VPA General Permit for Poultry Waste Management
<b>Date:</b>	May 21, 2004

Where an agency or regulation is exempt in part or in whole from the requirements of the Administrative Process Act (§ 9-6.14:1 *et seq.* of the *Code of Virginia*), the agency may provide information pertaining to the action to be included on the Regulatory Town Hall. The agency must still comply the requirements of the Virginia Register Act (§ 9-6.18 *et seq.* of the *Code of Virginia*) and file with the Registrar and publish their regulations in a style and format conforming with the *Virginia Register Form, Style and Procedure Manual*. The agency must also comply with Executive Order Fifty-Eight (99) which requires an assessment of the regulation's impact on the institution of the family and family stability.

This agency background document may be used by agencies exempt pursuant to § 9-6.14:4.1(A) at the proposed stage. Please refer to the *Virginia Register Form, Style and Procedure Manual* for more information.

### Summary

*Please provide a brief summary of the proposed new regulation, amendments to an existing regulation, or the regulation being repealed. There is no need to state each provision or amendment or restate the purpose and intent of the regulation; instead give a summary of the regulatory action and alert the reader to all substantive matters or changes. If applicable, generally describe the existing regulation.*

The purpose of the proposed action is to amend the existing Virginia Pollution Abatement (VPA) General Permit for Poultry Waste Management 9VAC25-630, where applicable, to reflect changes to 40 CFR Parts 9, 122, 123, and 412, as published in the Federal Register Volume 68, No. 29, dated February 12, 2003. The current VPA general permit expires November 16, 2004. This general permit regulation governs the authority to manage pollutants from confined poultry feeding operations, including storage and land application of animal wastes. This VPA General Permit for Poultry Waste Management governs the management of poultry waste at

confined poultry operations having 200 or more animal units. A new General Virginia Pollution Discharge Elimination System (VPDES) General Permit Regulation for Concentrated Animal Feeding Operations 9VAC25-191 is being proposed in accordance with §62.1-44.17:1 of the Code of Virginia to regulate concentrated animal feeding operations (CAFOs) under VPDES as required by the federal CAFO rule, which became effective April 14, 2003. The proposed regulation 9VAC25-191 will affect a subset of the poultry operations regulated by 9VAC25-630. This action is being taken to amend 9VAC25-630 to exclude poultry operations that will be regulated under the proposed VPDES general permit regulation 9VAC25-191 and to make the requirements of the regulations consistent.

### Additional Information

*Please indicate that the text of the proposed regulation, the reporting forms the agency intends to incorporate or use in administering the proposed regulation, and a copy of any documents to be incorporated by reference are attached. Please state that the Office of the Attorney General has certified that the agency has the statutory authority to promulgate the proposed regulation and that it comports with applicable state and/or federal law.*

The text of the proposed regulation and the reporting forms the Department of Environmental Quality intends to use in administering the proposed regulation are attached.

The Office of the Attorney General has certified that the Department of Environmental Quality has the statutory authority to promulgate the proposed amendments to the regulation under applicable law, including Chapter 3.1 of Title 62.1 of the Code of Virginia, and that the requirements of §2.2-4006.A.9(i) and (ii) have been satisfied and upon satisfaction of §2.2-4006.A.9(iii) and (iv), the regulation will be exempt from the operation of Article 2 of the Administrative Process Act, §§2.2-4006 et seq. of the Code of Virginia.

### Family Impact Statement

*Please provide an analysis of the proposed regulatory action that assesses the potential impact on the institution of the family and family stability including the extent to which the regulatory action will: 1) strengthen or erode the authority and rights of parents in the education, nurturing, and supervision of their children; 2) encourage or discourage economic self-sufficiency, self-pride, and the assumption of responsibility for oneself, one's spouse, and one's children and/or elderly parents; 3) strengthen or erode the marital commitment; and 4) increase or decrease disposable family income.*

Because poultry operations are currently regulated in Virginia, and this action serves only to transfer the regulatory mechanism governing select poultry operations from the VPA regulatory system to the VPDES regulatory system, it is not expected to have significant impact on family or family stability.
