When a regulatory action is exempt from executive branch review pursuant to § 2.2-4002 or § 2.2-4006 of the Virginia Administrative Process Act (APA), the agency is encouraged to provide information to the public on the Regulatory Town Hall using this form.

Note: While posting this form on the Town Hall is optional, the agency must comply with requirements of the Virginia Register Act, the *Virginia Register Form, Style, and Procedure Manual*, and Executive Orders 21 (02) and 58 (99).

### Summary

*Please provide a brief summary of all regulatory changes, including the rationale behind such changes. Alert the reader to all substantive matters or changes. If applicable, generally describe the existing regulation.*

This proposed regulatory action is needed in order to establish appropriate and necessary permitting requirements for discharges of wastewater from coin operated laundry. The proposed regulation will set forth standard language for effluent limitations and monitoring requirements necessary to regulate this category of dischargers. There are no changes to this regulation.

### Statement of final agency action

*Please provide a statement of the final action taken by the agency including (1) the date the action was taken, (2) the name of the agency taking the action, and (3) the title of the regulation.*

On December 7, 2005, the State Water Control Board voted unanimously to adopt 9 VAC 25-810, General VPDES Permit Regulation for Coin Operated Laundry.

### Family impact

*Assess the impact of this regulatory action on the institution of the family and family stability, including to what extent the regulatory action will: 1) strengthen or erode the authority and rights of parents in the education, nurturing, and supervision of their children; 2) encourage or discourage economic self-sufficiency, self-pride, and the assumption of responsibility for oneself, one's spouse, and one's children and/or elderly parents; 3) strengthen or erode the marital commitment; and 4) increase or decrease disposable family income.*
