Brief Summary

Provide a brief summary (preferably no more than 2 or 3 paragraphs) of this regulatory change (i.e., new regulation, amendments to an existing regulation, or repeal of an existing regulation). Alert the reader to all substantive matters. If applicable, generally describe the existing regulation.

This regulatory action changes the existing language of the regulation (9VAC25-690-20; 9VAC25-690-30; & 9VAC25-690-100) to incorporate the change of the name of “the Department of Mines, Minerals and Energy” to “the Department of Energy” and the Recodification of Code Section 45.1 to 45.2. § 2.2-4006 A 4 a of the Administrative Process Act allows the Board to adopt a regulatory amendment that is necessary to conform to changes in Virginia statutory law. This regulatory action is required to conform the existing regulation to changes in the Code.

Mandate and Impetus

Identify the mandate for this regulatory change and any other impetus that specifically prompted its initiation (e.g., new or modified mandate, internal staff review, petition for rulemaking, periodic review, or board decision). "Mandate" is defined as "a directive from the General Assembly, the federal government, or a court that requires that a regulation be promulgated, amended, or repealed in whole or part."

HB1855 and SB1453 were passed during the 2021 Reconvened Special Session I of the Virginia General Assembly. These bills changed the name of "the Department of Mines, Minerals and Energy" to "the Department of Energy" and recodified Code Section 45.1 to 45.2 respectively. The Governor signed these bills into law on April 7, 2021 (HB1855 – Chapter 532 of the 2021 Special Session I Acts of Assembly) and March 24, 2021 (SB1453 – Chapter 387 of the 2021 Special Session I Acts of Assembly).

The State Water Control Board adopted these regulatory amendments to 9VAC25-690-20; 9VAC25-690-30; & 9VAC25-690-100 on June 29, 2021 as a final regulation and affirmed that the Board will receive, consider and respond to requests by any interested person at any time with respect to reconsideration or revision.
