*Please note that this memorandum does not constitute an opinion, formal or informal, of the Attorney General. Rather, this memorandum contains the legal analysis of the individual staff member providing it.*

In response to a request from the Department of Environmental Quality, I reviewed the above-referenced regulations of the State Water Control Board.

After reviewing the Regulations, it is my opinion that the State Water Control Board has the authority to so amend and reissue the Regulations pursuant to § 62.1-44.15 of the Code of Virginia. It is also my opinion that the Regulations are exempt from Article 2 of the Administrative Process Act pursuant to Va. Code § 2.2-4006(A)(4)(c).
