MEMORANDUM

To: Frederick Heppner, Chairman
Board for Asbestos, Lead, and Home Inspectors
Department of Professional and Occupational Regulation

David E. Dick, Executive Director
Board for Asbestos, Lead, and Home Inspectors
Department of Professional and Occupational Regulation

From: Eric A. Gregory
Assistant Attorney General
Counsel to the Board for Barbers and Cosmetology

Date: March 15, 2005

Subject: Letter of Assurance for Proposed Amendments to the Lead-Based Paint Activities Regulations
(18 VAC 15-30)

I have reviewed the Proposed Amendments to the Lead-Based Paint Activities Regulations submitted by the Board for Asbestos, Lead, and Home Inspectors, that were posted on Virginia Regulatory Town Hall on March 8, 2005. In my view, as counsel to the Board for Asbestos, Lead, and Home Inspectors, the Board may promulgate these amended regulations, pursuant to §§ 54.1-201(5) and 54.1-501 of the Code of Virginia. The amended regulations do not appear to conflict with the Constitution of the United States or the Constitution of the Commonwealth of Virginia, nor do they appear to conflict with any existing federal or state law.

This memorandum addresses legal matters only and is not intended to serve, nor should it be construed as a comment for or against the merits of the proposed regulations.
