Subject: Letter of Assurance for 18 VAC 15-40

I have reviewed the Asbestos, Lead and Home Inspectors Board's amendments to their Regulations. In my view, as counsel to the Board, the Board may promulgate these regulations pursuant to §2.2-2006 of the Code of Virginia. This amendment is further an exempt action as the regulation is being amended for consistency with §54.1-517.2 of the Code of Virginia. The regulations do not appear to conflict with the Constitution of the United States or the Constitution of the Commonwealth of Virginia, nor do they appear to conflict with any federal or state law currently in effect. This memorandum addresses legal matters only and is not intended to serve, nor should it be construed, as a comment for or against the merits of the proposed regulations.
