Re: Practice of Towing and Recovery Operators (Proposed Regulations)
24 VAC 27-30-10 et seq.

Dear Mr. Foster:

You have asked the Attorney General to the proposed regulations referenced above to ensure statutory authority for the proposed regulations per §2.2-4014 (A).

I have reviewed the proposed regulations titled "Practice of Towing and Recovery Operators (Proposed Regulations)". The Board of Towing and Recovery Operators has the requisite legal authority to enact these proposed regulations by virtue of §46.2-2809 and §46.2-2805, specifically as well as other provisions contained in Chapter 28 of Title 46.2.

I hope that this meets the statutory requirements and those set out in the applicable Executive Orders.

Sincerely,

John J. Beall, Jr.
Senior Assistant Attorney General
