Brief Summary

Provide a brief summary (preferably no more than 2 or 3 paragraphs) of the subject matter, intent, and goals of this regulatory change (i.e., new regulation, amendments to an existing regulation, or repeal of an existing regulation).

The Board intends to amend 18VAC115-20-130(B)(14), 18VAC115-30-140(B)(9), 18VAC115-50-110(B)(14), and 18VAC115-60-130(B)(14) to remove the reference to participating in conversion therapy of a minor. Since the promulgation of these regulations, Virginia Code § 54.1-2409.5 was enacted which eliminates the need for a limitation on practice of conversion therapy of minors in regulation. In addition,

the Board intends to amend the section 10 of Chapters 20, 30, 50, and 60 to remove the definition for conversion therapy, as that definition is contained in § 54.1-2409.5.

Mandate and Impetus

Identify the mandate for this regulatory change and any other impetus that specifically prompted its initiation, (e.g., new or modified mandate, petition for rulemaking, periodic review, or board decision). For purposes of executive branch review, "mandate" has the same meaning as defined in the ORM procedures, "a directive from the General Assembly, the federal government, or a court that requires that a regulation be promulgated, amended, or repealed in whole or part."

The impetus for this action is [Executive Order 19](#).

Legal Basis

Identify (1) the promulgating agency, and (2) the state and/or federal legal authority for the regulatory change, including the most relevant citations to the Code of Virginia and Acts of Assembly chapter number(s), if applicable. Your citation must include a specific provision, if any, authorizing the promulgating agency to regulate this specific subject or program, as well as a reference to the agency's overall regulatory authority.

Regulations of the Board of Counseling are promulgated under the general authority of Chapter 24 of Title 54.1 of the Code of Virginia. Virginia Code § 54.1-2400(6) specifically states that the general powers and duties of health regulatory boards shall be "[t]o promulgate regulations in accordance with the Administrative Process Act (§ 2.2-4000 et seq.) that are reasonable and necessary to administer effectively the regulatory system."

Virginia Code § [54.1-3503](#) requires the Board to regulate the practice of counseling, substance abuse treatment, and marriage and family therapy. Virginia Code § [54.1-3505](#) directs the Board to promulgate regulations regarding the qualification, education, and experience for licensure as an LPC, LMFT, or LSATP.

Purpose

Describe the specific reasons why the agency has determined that this regulation is essential to protect the health, safety, or welfare of citizens. In addition, explain any potential issues that may need to be addressed as the regulation is developed.

This NOIRA is announcing a reduction, not an additional regulatory requirement. The Board has determined that the regulations to be deleted are no longer needed as regulations because the same limitation on practice is contained in statute.

Substance

Briefly identify and explain the new substantive provisions that are being considered, the substantive changes to existing sections that are being considered, or both.

The Board intends to amend 18VAC115-20-130(B)(14), 18VAC115-30-140(B)(9), 18VAC115-50-110(B)(14), and 18VAC115-60-130(B)(14) to remove the reference to participating in conversion therapy of a minor. Since the promulgation of these regulations, Virginia Code § 54.1-2409.5 was enacted which eliminates the need for a limitation on practice of conversion therapy of minors in regulation. In addition, the Board intends to amend the section 10 of Chapters 20, 30, 50, and 60 to remove the definition for conversion therapy, as that definition is contained in § 54.1-2409.5.

Alternatives to Regulation

Describe any viable alternatives to the regulatory change that were considered, and the rationale used by the agency to select the least burdensome or intrusive alternative that meets the essential purpose of the regulatory change. Also, include discussion of less intrusive or less costly alternatives for small businesses, as defined in § 2.2-4007.1 of the Code of Virginia, of achieving the purpose of the regulatory change.

There is no alternative to regulatory action, which is the only way to delete regulations.

Periodic Review and Small Business Impact Review Announcement

This NOIRA is not being used to announce a periodic review or a small business impact review.
