**RE: Regulations of the Board of Medicine**

Dear Dr. Harp:

I have reviewed the Emergency Regulations adopted by the Board on June 22, 2006, in accordance with the Administrative Process Act. The amended regulations are constitutional and in conformity with statutory provisions of Chapter 881 of the 2006 Acts of the Assembly, which required the promulgation of regulations for the issuance of restricted volunteer licenses.

The "emergency situation" which exists is specified in §2.2-4011 of the Code of Virginia as one in which the agency is required by statutory law to have a regulation in effect within 280 days from the enactment of the law. Having satisfied all legal requirements, you may proceed to take the necessary steps to promulgate this emergency regulation in accordance with the requirements of the Administrative Process Act.

Sincerely,

A handwritten signature in black ink, appearing to read "E. Wingfield".

Emily O. Wingfield  
Assistant Attorney General
