**MEMORANDUM**

**TO:** William L. Harp, M.D.

Virginia Board of Medicine

**FROM:** Erin L. Barrett  
Assistant Attorney General

**DATE:** November 2, 2016

**SUBJECT:** *Regulations Governing the Practice of Medicine, Osteopathic Medicine, Podiatry, and Chiropractic*  
18VAC85-20-10 *et seq.*

I have reviewed the proposed amendment to the Regulations Governing the Practice of Medicine, Osteopathic Medicine, Podiatry, and Chiropractic, 18VAC85-20-10 *et seq.* The proposed amendment allows 15 hours of Type 2 continuing education credit to be satisfied by the delivery of services, without compensation, to low-income individuals receiving health services through a local health department or a free clinic organized in whole or in part for the delivery of such services. The proposed amendment is consistent with changes in the Code of Virginia following the passage of 2016 Va. Acts ch. 82. The Board has the statutory authority to amend this regulation under Virginia Code § 54.1-2400(6). The proposed amendment is constitutional and does not conflict with existing federal or state laws or regulations.
