

Final Regulations for Voluntary Practice by Out-of-State Nurses

(Replaces emergency regulations which are in effect until July 18, 2003)

18 VAC 90-20-271. Registration for voluntary practice by out-of-state licenses.

Any licensed nurse who does not hold a license to practice in Virginia and who seeks registration to practice on a voluntary basis under the auspices of a publicly supported, all volunteer, nonprofit organization with no paid employees that sponsors the provision of health care to populations of underserved people throughout the world shall:

1. File a complete application for registration on a form provided by the board at least 15 days prior to engaging in such practice. An incomplete application will not be considered;
2. Provide a complete record of professional licensure in each state in which he has held a license and a copy of every current license;
3. Provide the name of the nonprofit organization, the dates and location of the voluntary provision of services;
4. Pay a registration fee of \$10; and
5. Provide a notarized statement from a representative of the nonprofit organization attesting to its compliance with provisions of § 54.1-3001 (11) of the Code of Virginia.
