

Exempt Action – Amendment to Nursing Regulations

18VAC90-20-60. Program approval.

A. The application for approval shall be complete when:

1. A self-evaluation report of compliance with Article 2 (18VAC90-20-70 et seq.) of this part has been submitted;
2. The first graduating class has taken the licensure examination; and
3. A survey visit has been made by a representative of the board.

B. The committee shall, in accordance with [§2.2-4019](#) of the Code of Virginia, receive and review the self-evaluation and survey reports and shall make a recommendation to the board for the granting or denial of approval or for continuance of provisional approval.

C. If the committee's recommendation is to deny approval, no further action will be required of the board unless the program requests a hearing before the board or a panel thereof in accordance with [§2.2-4020](#) and subdivision 9 11 of [§54.1-2400](#) of the Code of Virginia.

Certification
