### Brief summary

*Please provide a brief summary of the proposed new regulation, proposed amendments to the existing regulation, or the regulation proposed to be repealed. Alert the reader to all substantive matters or changes. If applicable, generally describe the existing regulation.*

The Board of Nursing has amended regulations to reduce the late fee charged to registered and practical nurses who renew an inactive license after the renewal date. Currently, the fee would be the same for late renewal of an active license, but that fee is disproportionate to the renewal fee for an inactive license. For RNs, the fee will be reduced from \$50 to \$25; for LPNs, the fee will be reduced from \$40 to \$25.

### Statement of final agency action

*Please provide a statement of the final action taken by the agency including: 1) the date the action was taken; 2) the name of the agency taking the action; and 3) the title of the regulation.*
