I have reviewed the Auctioneers Board's proposed amendments to the regulations. In my view, as counsel to the Auctioneers Board, the Board may promulgate these regulations pursuant to § 54.1-602 of the *Code of Virginia*. The regulations do not appear, on their face, to conflict with the Constitution of the United States or the Constitution of the Commonwealth of Virginia, nor do they appear to conflict with federal or state law currently in effect.

This memorandum addresses legal matters only and is not intended to serve, nor should it be construed, as a comment for or against the merits of the proposed regulations.
