Virginia Department of Planning and Budget **Economic Impact Analysis**

12 VAC 5-550 Board of Health Regulations Governing Vital Records
Virginia Department of Health
Town Hall Action/Stage: 3938 / 6935
May 4, 2018

Summary of the Proposed Amendments to Regulation

The Board of Health (Board) proposes to amend language concerning how to have a new certificate of birth issued to reflect a change in gender.

Result of Analysis

The benefits likely exceed the costs for all proposed changes.

Estimated Economic Impact

The current language in the regulation concerning the required process to have a new certificate of birth issued to reflect a change in gender conflicts with the Code of Virginia (Code). The Board proposes to amend the language to match the requirements in the Code. Since when the Code and regulatory language conflict the Code prevails, the proposed amendments to the regulation would have no impact in practice beyond reducing the likelihood that readers of the regulation would be misled concerning the prevailing requirements.

Businesses and Entities Affected

Beyond potentially reducing confusion among readers of the regulation, the proposed language amendments do not affect any businesses or entities.

Localities Particularly Affected

The proposed amendments do not disproportionately affect particular localities.

Projected Impact on Employment

The proposed amendments do not affect employment.

Effects on the Use and Value of Private Property

The proposed amendments do not affect the use and value of private property.

Real Estate Development Costs

The proposed amendments do not affect real estate development costs.

Small Businesses:**Definition**

Pursuant to § 2.2-4007.04 of the Code of Virginia, small business is defined as “a business entity, including its affiliates, that (i) is independently owned and operated and (ii) employs fewer than 500 full-time employees or has gross annual sales of less than \$6 million.”

Costs and Other Effects

The proposed amendments do not affect costs for small businesses.

Alternative Method that Minimizes Adverse Impact

The proposed amendments do not adversely affect small businesses.

Adverse Impacts:**Businesses:**

The proposed amendments do not adversely affect businesses.

Localities:

The proposed amendments do not adversely affect localities.

Other Entities:

The proposed amendments do not adversely affect other entities.

Legal Mandates

General: The Department of Planning and Budget has analyzed the economic impact of this proposed regulation in accordance with § 2.2-4007.04 of the Code of Virginia (Code) and Executive Order Number 17 (2014). Code § 2.2-4007.04 requires that such economic impact analyses determine the public benefits and costs of the proposed

amendments. Further the report should include but not be limited to: (1) the projected number of businesses or other entities to whom the proposed regulatory action would apply, (2) the identity of any localities and types of businesses or other entities particularly affected, (3) the projected number of persons and employment positions to be affected, (4) the projected costs to affected businesses or entities to implement or comply with the regulation, and (5) the impact on the use and value of private property.

Adverse impacts: Pursuant to Code § 2.2-4007.04(C): In the event this economic impact analysis reveals that the proposed regulation would have an adverse economic impact on businesses or would impose a significant adverse economic impact on a locality, business, or entity particularly affected, the Department of Planning and Budget shall advise the Joint Commission on Administrative Rules, the House Committee on Appropriations, and the Senate Committee on Finance within the 45-day period.

If the proposed regulatory action may have an adverse effect on small businesses, Code § 2.2-4007.04 requires that such economic impact analyses include: (1) an identification and estimate of the number of small businesses subject to the proposed regulation, (2) the projected reporting, recordkeeping, and other administrative costs required for small businesses to comply with the proposed regulation, including the type of professional skills necessary for preparing required reports and other documents, (3) a statement of the probable effect of the proposed regulation on affected small businesses, and (4) a description of any less intrusive or less costly alternative methods of achieving the purpose of the proposed regulation. Additionally, pursuant to Code § 2.2-4007.1, if there is a finding that a proposed regulation may have an adverse impact on small business, the Joint Commission on Administrative Rules shall be notified.
