Re: Regulations for the Immunization of School Children
12 VAC 5-110

Dear Dr. Levine:

I have reviewed the Regulations for the Immunization of School Children in 12 VAC 5-110. These regulations do not conflict with other federal or state statutes or regulations and do not violate the United States or Virginia Constitutions.

The Board of Health has the authority to promulgate the regulations under Va. Code §§ 32.1-12, 32.1-46, and 22.1-271.2. The regulations are consistent with the Board's mandate, and the Board will not exceed its statutory authority by promulgating these regulations.

Very truly yours,

Robin V. Kurz
Senior Assistant Attorney General
