Summary

Please provide a brief summary of all regulatory changes, including the rationale behind such changes. Alert the reader to all substantive matters or changes. If applicable, generally describe the existing regulation.

The Migrant Housing Programs regulation was adopted in 1989 by the Department of Housing and Community Development for the allocation of housing assistance to migrant workers in Virginia through the Virginia Housing Partnership Fund. The use of the Virginia Housing Partnership Revolving Fund for providing housing assistance has substantially changed since 1989 and this program is no longer funded by the Partnership Fund and is no longer an active state program. The Department has determined that there is no need for this state regulation and has approved the repeal of the regulation.
