FAMILY ACCESS TO MEDICAL INSURANCE SECURITY PLAN.

Part V.

BENEFITS AND REIMBURSEMENT.

12 VAC 30-141-500. Benefits reimbursement. Reimbursement for the services covered under FAMIS fee-for-service and PCCM and MCHIPs shall be as specified below.

A. Reimbursement for physician services, surgical services, clinic services, prescription drugs, laboratory and radiological services, outpatient mental health services, early intervention services, emergency services, home health services, immunizations, mammograms, medical transportation, organ transplants, skilled nursing services, well baby and well child care, vision services, durable medical equipment, disposable medical supplies, dental services, case management services, physical therapy/occupational therapy/speech-language therapy services, hospice services, school-based health services, and certain community-based mental health services shall be based on the Title XIX rates.

B. Reimbursement to MCHIPs shall be determined on the basis of the estimated cost of providing the MCHIP benefit package and services to an actuarially equivalent population. MCHIP rates will be determined annually and published 30 days prior to the effective date.

C. Exceptions.

1. Prior authorization is required after five visits in a fiscal year for physical therapy, occupational therapy and speech therapy provided by home health providers and outpatient rehabilitation facilities and for home health skilled nursing visits. Prior authorization is required after five visits for outpatient mental health visits in the first year of service and prior authorization is required for the following non-emergency outpatient procedures: Magnetic Resonance Imaging, Computer Axial Tomography scans, or Positron Emission Tomography scans.

2. Reimbursement for inpatient hospital services will be based on the Title XIX rates in effect for each hospital. Reimbursement shall not include payments for disproportionate share or graduate medical education payments made to hospitals. Payments made shall be final and there shall be no retrospective cost settlements.

3. Reimbursement for outpatient hospital services shall be based on the Title XIX rates in effect for each hospital. Payments made will be final and there will be no retrospective cost settlements.

4. Reimbursement for inpatient mental health services other than by free standing psychiatric hospitals will be based on the Title XIX rates in effect for each hospital. Reimbursement will not include payments for disproportionate share or graduate medical education payments made to hospitals. Payments made will be final and there will be no retrospective cost settlements.

5. Reimbursement for outpatient rehabilitation services will be based on the Title XIX rates in effect for each rehabilitation agency. Payments made will be final and there will be no retrospective cost settlements.

6. Reimbursement for outpatient substance abuse treatment services will be based on rates determined by DMAS for children ages 6 through18. Payments made will be final and there will be no retrospective cost settlements.

7. Reimbursement for prescription drugs will be based on the Title XIX rates in effect. Reimbursements for Title XXI do not receive drug rebates as under Title XIX.

8. Reimbursement for covered prescription drugs for non-institutionalized FAMIS recipients receiving the fee-for-service or PCCM benefits will be subject to review and prior authorization when their current number of prescriptions exceeds 9 unique prescriptions within 180 days, and as may be further defined by the agency's guidance documents for pharmacy utilization review and the prior authorization program. The prior authorization process shall be applied consistent with the process set forth in 12 VAC 30-50-210(A)(7).

CERTIFIED: I hereby certify that these regulations are full, true, and correctly dated.
