Assistant Attorney General

DATE: March 28, 2017

SUBJECT: Proposed Regulations Regarding Utilization Review

(12 VAC 30-60-5 & 12 VAC 30-141-570)

I have reviewed the proposed regulations that would standardize the utilization review process. Based on my review, DMAS has the authority to promulgate these regulations, subject to compliance with the provisions of Article 2 of the Administrative Process Act and has not exceeded that authority.

Virginia Code §§ 32.1-324 and 32.1-325 grant to the Board of Medical Assistance Services the authority to administer and amend the plan for Medical Assistance and authorizes the Director of DMAS to administer and amend the plan for Medical Assistance according to the Board's requirements.

If you have any questions or need additional information, please feel free to contact me at 786-2071.
