2. Pregnant women and infants under 1902(a)(10)(i)(IV) of the Act:

Effective April 1, 1990, based on 133% of the official federal income poverty level.

3. Children under §1902(a)(10)(i)(VI) of the Act (children who have attained age 1 but have not attained age 6), the income eligibility level is 133% of the federal poverty level (as revised annually in the Federal Register) for the size family involved.

4. For children under §1902(a)(10)(i)(VII) of the Act (children who were born after September 30, 1983, and have attained age 6 but have not attained age 19), the income eligibility level is 100% of the federal poverty level (as revised annually in the Federal Register) for the size family involved.

B. Treatment of COLA for groups with income related to federal poverty level.

1. If an individual receives a Title II benefit, any amount attributable to the most recent increase in the monthly insurance benefit as a result of a Title II COLA is not counted as income during a "transition period" beginning with January, when the Title II benefit for December is received, and ending with the last day of the month following the month of publication of the revised annual federal poverty level.

2. For individuals with Title II income, the revised poverty levels are not effective until the first day of the month following the end of the transition period.

3. For individuals not receiving Title II income, the revised poverty levels are effective no later than the beginning of the month following the date of publication.

C. Qualified Medicare beneficiaries with incomes related to federal poverty level.

The levels for determining income eligibility for groups of qualified Medicare beneficiaries under the provisions of §1905(p)(2)(A) of the Act are as follows:

Section 1902(f) states which as of January 1, 1987, used income standards more restrictive than
