MEMORANDUM

TO: L. RICHARD MARTIN, JR.
Virginia Department of Social Services

FROM: ALLEN T. WILSON
Assistant Attorney General

DATE: May 30, 2007

SUBJECT: Repeal of Regulation 22 VAC 40-770-10 et seq.
Standards and Regulations for Agency Approved Providers
Final Regulation 22 VAC 40-771-10 et seq.
Adult Services Approved Providers

I have reviewed the proposed repeal of 22 VAC 40-770-10 et seq., Standards and Regulations for Agency Approved Providers. I also have reviewed the final regulation, 22 VAC 40-771-10 et seq., Adult Services Approved Providers which is being proposed to replace 22 VAC 40-770-10 et seq. I have reviewed these actions to determine if the changes made to the proposed regulation exceed the statutory authority of the State Board of Social Services ("State Board").

As I noted in my memoranda dated February 3, 2006, it is this Office's view that the State Board has the authority to repeal 22 VAC 40-770-10 et seq. and promulgate its replacement, 22 VAC 40-771-10 et seq., subject to compliance with the provisions of Article 2 of the Administrative Process Act and Executive Order 21 (2002)(rescinded and replaced by Executive Order 36 (2006)), and has not exceeded that authority.

It appears that there has been one change that constitutes a change with "substantial impact," and could necessitate an additional comment period. Please note that Va. Code § 2.2-4013(B) requires that all changes to the proposed regulations be highlighted in the final regulations, and it appears that this requirement has been fulfilled. Also, pursuant to § 2.2-4013(C), if the Governor finds that one or more changes with substantial impact have been made to the proposed regulation, he *may* (but is not required to) direct DSS to provide an additional thirty days to solicit additional public comment on the changes. In addition, Va. Code § 2.2-4007(K) requires the agency to solicit additional public comment, *if* it receives requests from at least twenty-five persons for an opportunity to submit oral and written comments on the changes to the regulation and if one or more changes with substantial impact were made to the proposed regulation.
