Brief Summary

Provide a brief summary (preferably no more than 2 or 3 paragraphs) of this regulatory change (i.e., new regulation, amendments to an existing regulation, or repeal of an existing regulation). Alert the reader to all substantive matters. If applicable, generally describe the existing regulation.

Makes technical corrections to and eliminates some sections from the Regulations Relating to Specifications of the Description to be Obtained By Pawnbrokers of Persons Pawning or Pledging Goods following a full review of the Regulation as mandated by Executive Order 19. This Action amends sections 19VAC30-80-10, 19VAC30-80-20, 19VSC30-80-30, and 19VAC30-80-40. These updates resulted in the reduction of one regulatory mandate, which results in a 25% overall reduction in regulatory mandates contained in this regulation.

Mandate and Impetus

Identify the mandate for this regulatory change and any other impetus that specifically prompted its initiation (e.g., new or modified mandate, internal staff review, petition for rulemaking, periodic review, or board decision). For purposes of executive branch review, "mandate" has the same meaning as defined in the ORM procedures, "a directive from the General Assembly, the federal government, or a court that requires that a regulation be promulgated, amended, or repealed in whole or part."

Executive Order 19 (EO-19) and Executive Directive 1 (ED-1) ordered all Executive Branch Agencies of the Commonwealth to review all their regulations with a focus on ensuring agency regulatory requirements are enacted in a manner so as to ensure they meet the needs of the Commonwealth while imposing the least burden and cost on business and citizens of the Commonwealth. As a result of that review these amendments make technical corrections to the Regulations Relating to Specifications of the Description to Be Obtained by Pawnbrokers of Persons Pawning or Pledging Goods
