

Summary of Regulation  
17 VAC 15-40 “Standards for the Microfilming of Ended Law, Chancery, and Criminal Cases By the  
Clerks of the Circuit courts Prior to Disposition”

1. Basis:  
Statutory authority for the Library of Virginia to repeal this standard is under the Public Records Act Code 42.1-76 et.al., specifically §§ 42.1-80 and 42.1-82.
2. Purpose:  
The reason for this regulation was to ensure permanent retention of public records placed on microfilm, but this is now covered by 17 VAC 15-20.
3. Substance:  
This standard is being repealed.
4. Issues:  
This standard is being withdrawn or repealed because the pertinent requirements have been incorporated into 17VAC-20 to satisfy the original reasons for this standard being issued
5. Estimated Impact:  
No impact since the same requirements are listed in 17 VAC 15-20.
6. Identity of any locality particularly affected:  
None
