In addition, this information is required by the Virginia Registrar of Regulations pursuant to the Virginia Register Act (§ 2.2-4100 et seq. of the Code of Virginia). Brief Summary

Provide a brief summary (preferably no more than 2 or 3 paragraphs) of this regulatory change (i.e., new regulation, amendments to an existing regulation, or repeal of an existing regulation). Alert the reader to all substantive matters. If applicable, generally describe the existing regulation.

The Virginia Marine Resources Commission (VMRC) is repealing Chapter 4VAC20-1200-10 et seq., "Pertaining to the Special Relay Season in the Rappahannock River" to increase regulatory efficiency by reducing regulatory requirements found in other chapters.

Mandate and Impetus

Identify the mandate for this regulatory change and any other impetus that specifically prompted its initiation (e.g., new or modified mandate, internal staff review, petition for rulemaking, periodic review, or board decision). For purposes of executive branch review, "mandate" has the same meaning as defined in the

ORM procedures, "a directive from the General Assembly, the federal government, or a court that requires that a regulation be promulgated, amended, or repealed in whole or part."

[Mandate] VMRC is authorized by § 28.2-201 of the Code of Virginia to promulgate regulations and guidelines necessary to carry out the provisions of Title 28.2, including marine shellfish regulations.

[Impetus] The Commission currently establishes by regulation, Chapter 4 VAC 20-720-10 et seq., "Pertaining to Restrictions on Oyster Harvest", the areas of public oyster harvest, public oyster harvest seasons and oyster resource conservation measures if they wish these to be different from those which are established by §28.2-506 of The Code of Virginia. This regulation supersedes other regulations that in the past had addressed individual harvest areas.

Statement of Final Agency Action

Provide a statement of the final action taken by the agency including: 1) the date the action was taken; 2) the name of the agency taking the action; and 3) the title of the regulation.

This is to certify that the foregoing is a true and accurate copy of the chapter (4VAC20-1200-10 et seq., "Pertaining to the Special Relay Season in the Rappahannock River") passed by the Marine Resources Commission, pursuant to authority vested in the Commission by §28.2-201 of the Code of Virginia, duly advertised according to statute, and recorded in the Commission's minute book, at meeting held in Hampton, Virginia on February 27, 2024.
