Brief Summary

Provide a brief summary (preferably no more than 2 or 3 paragraphs) of this regulatory change (i.e., new regulation, amendments to an existing regulation, or repeal of an existing regulation). Alert the reader to all substantive matters. If applicable, generally describe the existing regulation.

Chapter [26](#) of the 2021 Acts of the Assembly (“Chapter [26](#)”) amended § [22.1-137.2](#) of the Code of Virginia to require that every public school conduct a lock-down drill at least once during the first 20 days of each school session. Section [22.1-137.2](#) previously required that public schools conduct lock-down drills at least twice during the first 20 days of each school session.

Chapter [26](#) requires the Board of Education (“Board”) to amend [8VAC20-131-260](#) B 3 of the Regulations Establishing Standards for Accrediting Public Schools in Virginia.

Acronyms and Definitions

Define all acronyms used in this form, and any technical terms that are not also defined in the "Definitions" section of the regulation.

"Board" means the Virginia Board of Education

"Chapter 26" means Chapter 26 of the 2021 Acts of the Assembly.

Statement of Final Agency Action

Provide a statement of the final action taken by the agency including: 1) the date the action was taken; 2) the name of the agency taking the action; and 3) the title of the regulation.

The Board approved this action to amend the Regulations Establishing Standards for Accrediting Public Schools in Virginia on April 21, 2022.

Mandate and Impetus

Identify the mandate for this regulatory change and any other impetus that specifically prompted its initiation (e.g., new or modified mandate, petition for rulemaking, periodic review, or board decision). For purposes of executive branch review, "mandate" has the same meaning as defined in the ORM procedures, "a directive from the General Assembly, the federal government, or a court that requires that a regulation be promulgated, amended, or repealed in whole or part."

Consistent with Virginia Code § 2.2-4012.1, also explain why this rulemaking is expected to be noncontroversial and therefore appropriate for the fast-track rulemaking process.

This action is the result of a legislative mandate. Chapter 26 amended § 22.1-137.2 of the Code of Virginia to require that every public school conduct a lock-down drill at least once during the first 20 days of each school session.

This rulemaking is expected to be noncontroversial and therefore appropriate for the fast-track process because the action is the result of a legislative mandate and because the Board has not exercised discretion in making the required changes.

Legal Basis

Identify (1) the promulgating agency, and (2) the state and/or federal legal authority for the regulatory change, including the most relevant citations to the Code of Virginia and Acts of Assembly chapter number(s), if applicable. Your citation must include a specific provision, if any, authorizing the promulgating agency to regulate this specific subject or program, as well as a reference to the agency's overall regulatory authority.

The Board's overall regulatory authority is found in § 22.1-16 of the Code of Virginia, which states that "[t]he Board of Education may adopt bylaws for its own government and promulgate such regulations as may be necessary to carry out its powers and duties and the provisions of this title."

Chapter 26 amended § 22.1-137.2 of the Code of Virginia to require that every public school conduct a lock-down drill at least once during the first 20 days of each school session.

Purpose

Explain the need for the regulatory change, including a description of: (1) the rationale or justification, (2) the specific reasons the regulatory change is essential to protect the health, safety or welfare of citizens, and (3) the goals of the regulatory change and the problems it is intended to solve.

The rationale for the regulatory change is to comply with Chapter [26](#).

The regulatory change is essential to protect the health, safety, and welfare of citizens because the Virginia General Assembly has determined that public schools may conduct fewer lock-down drills within the first 20 days of a school session.

The goal of the regulatory change is to allow public schools to conduct a lock-down drill at least once during the first 20 days of each school session instead of at least twice within the first 20 days of each school session.

Substance

Briefly identify and explain the new substantive provisions, the substantive changes to existing sections, or both. A more detailed discussion is provided in the "Detail of Changes" section below.

Identify and describe any requirement of the regulatory change which is more restrictive than applicable federal requirements. Include a specific citation for each applicable federal requirement, and a rationale for the need for the more restrictive requirements. If there are no applicable federal requirements, or no requirements that exceed applicable federal requirements, include a specific statement to that effect.

There are no applicable federal requirements.
