Regulation title	Regulations on the Eligibility of Certain Mining Operators to Perform Reclamation Projects
Date	December 21, 2016

This information is required pursuant to Executive Order 17 (2014).

Legal basis

Please identify the state and/or federal legal authority for the regulation, including: 1) the most relevant law and/or regulation; and 2) promulgating entity, i.e., agency, board, or person.

§ 45.1-261.1 mandates the Director of DMME promulgate regulations to implement the process by which operators can perform reclamation work in the Commonwealth.

Alternatives

Please describe all viable alternatives for achieving the purpose of the existing regulation that have been considered as part of the periodic review process. Include an explanation of why such alternatives were rejected and why this regulation is the least burdensome alternative available for achieving the purpose of the regulation.

This regulation is mandated by statute. Additionally, no substantive changes are made so there is no additional impact upon small businesses.

Public comment

Please summarize all comments received during the public comment period following the publication of the Notice of Periodic Review, and provide the agency response. Please indicate if an informal advisory group was formed for purposes of assisting in the periodic review.

DMME received no public comments following publication of the Notice of Periodic Review.

Effectiveness

Please indicate whether the regulation meets the criteria set out in Executive Order 17 (2014), e.g., is necessary for the protection of public health, safety, and welfare, and is clearly written and easily understandable.

The Director of DMME has determined that this regulation is necessary for the protection of public health, safety, and welfare. The regulation is vital to ensuring the public safety and welfare relating to mined land reclamation projects in the Commonwealth. The regulation is clearly written and easily understandable.

Result

Please state that the reason why the agency is recommending that the regulation should stay in effect without change.

DMME recommends that this regulation stay in effect without change.

Small business impact

In order to minimize the economic impact of regulations on small business, please include, pursuant to § 2.2-4007.1 E and F, a discussion of the agency's consideration of: 1) the continued need for the regulation; 2) the nature of complaints or comments received concerning the regulation from the public; 3) the complexity of the regulation; 4) the extent to which the regulation overlaps, duplicates, or conflicts with federal or state law or regulation; and 5) the length of time since the regulation has been evaluated or the degree to which technology, economic conditions, or other factors have changed in the area affected by the regulation. Also, include a discussion of the basis for the agency's determination to retain the regulation as is, consistent with the stated objectives of applicable law, to minimize the economic impact of regulations on small businesses.

As discussed above, this regulation is mandated by statute. The Director of DMME has determined this regulation is effective as currently written and does not burden small businesses.
