MEMORANDUM

To: Trisha Henshaw
Executive Director
Virginia Board for Waterworks and Wastewater Works Operators and Onsite Sewage System Professionals

From: Joshua E. Laws
Assistant Attorney General

Date: October 16, 2020

Subject: Letter of Assurance for Periodic Review of Rules and Regulations Governing Waterworks and Wastewater Works Operators Licensing Regulations found at 18 VAC 160-30.

Pursuant to the Code of Virginia and Executive Order 14 (2018), a periodic review of a regulation every four years shall include an examination by the Office of the Attorney General to ensure statutory authority. In that regard, I have reviewed the Board for Waterworks and Wastewater Works Operators and Onsite Sewage System Professionals' Regulations referenced above. In my view, these regulations may be retained without change according to *Code of Virginia* §§ 2.2-4007.02 and 54.1. The regulations do not appear to conflict with the Constitution of the United States or the Constitution of the Commonwealth of Virginia, nor do they appear to conflict with any federal or state law currently in effect.

This memorandum addresses legal matters only and is not intended to serve, nor should it be construed, as a comment for or against the merits of the proposed regulations.
