### Acronyms and Definitions

*Define all acronyms used in this Report, and any technical terms that are not also defined in the "Definitions" section of the regulation.*

### Legal Basis

*Identify (1) the promulgating agency, and (2) the state and/or federal legal authority for the regulatory change, including the most relevant citations to the Code of Virginia or Acts of Assembly chapter number(s), if applicable. Your citation must include a specific provision, if any, authorizing the promulgating agency to regulate this specific subject or program, as well as a reference to the agency's overall regulatory authority.*

Section 37.2- 203 of the Code of Virginia gives the State Board of Behavioral Health and Developmental Services the authority to adopt regulations that may be necessary to carry out the provisions of Title 37.2 of the Code and other laws of the Commonwealth administered by the DBHDS commissioner. Chapter 665 of the 2015 Acts of Assembly (the Budget Bill) enacted the Commonwealth's Compensation for Victims of the 1924 Eugenical Sterilization Program on March 26, 2015, and mandated emergency regulations.

**Alternatives to Regulation**

*Describe any viable alternatives for achieving the purpose of the regulation that were considered as part of the periodic review. Include an explanation of why such alternatives were rejected and why this regulation is the least burdensome alternative available for achieving its purpose.*

---

As this regulation is necessary to carry out the requirements of the General Assembly mandate, there are no alternatives. (The current Appropriation Act lists the ongoing authorization in Item 320.T.1-2. and maintains funding for three compensation awards in each year of the budget. Unused funds are carried over.)

**Public Comment**

*Summarize all comments received during the public comment period following the publication of the Notice of Periodic Review, and provide the agency response. Be sure to include all comments submitted: including those received on Town Hall, in a public hearing, or submitted directly to the agency. Indicate if an informal advisory group was formed for purposes of assisting in the periodic review.*

---

No comments were received.

**Effectiveness**

*Pursuant to § 2.2-4017 of the Code of Virginia, indicate whether the regulation meets the criteria set out in Executive Order 14 (as amended, July 16, 2018), including why the regulation is (a) necessary for the protection of public health, safety, and welfare, and (b) is clearly written and easily understandable.*

---

This regulation is necessary to carry out the requirements mandated by the General Assembly (2021 Appropriation Act, Item 320.T.1-2. and meets the requirements of EO14 in that the regulation helps to protect the welfare of individuals who were victims of forced sterilization pursuant to the Virginia Eugenical Sterilization Act through the provision of compensation to victims. This regulation clearly articulates administrative guidelines for filing appropriate documentation and verification of any claim of individuals who were victims.

**Decision**

*Explain the basis for the promulgating agency's decision (retain the regulation as is without making changes, amend the regulation, or repeal the regulation).*

---

The regulation will be retained as is, as nothing has changed regarding the application and review processes.

Also, discuss why the agency's decision, consistent with applicable law, will minimize the economic impact of regulations on small businesses.*
