- 1. Welcome/Introductions/Review of Minutes:** Barbara Hulburt opened the meeting and asked for brief introductions from the meeting attendees. Charlie Crowder asked for clarification of item #2 from the April 27<sup>th</sup> Meeting Minutes regarding the “Report on Meeting with Maryland Officials about Potomac River Withdrawals”. Staff will provide the requested clarification and the minutes will be revised, as appropriate, to reflect any additional information.

2. **Meeting Agenda:** The meeting agenda for the rest of the meeting was discussed. It was noted that the meeting time today would be spent in sub-groups. Barbara Hulburt noted that the “Alternative Analysis”, the “Cumulative Impacts” and the “Permit Process” Work Groups would be meeting together to discuss areas of overlap between the groups so that efforts will not be duplicated between and among the groups. The “Exemptions” Group will meet separately in order to continue their activities and discussions from their last meeting.
3. **Work Group Meetings:** The “Alternative Analysis”, Cumulative Impacts” and “Permit Process” Work Groups met together and the “Exemptions” Group met separately for the balance of the day.
