Upon a motion by Ms. Tsamouras and seconded by Ms. LaPierre, the Board voted to approve the amended guidance document, entitled "Guidance Document: Barber and Cosmetology Schools – Awarding Credits and/or Hours to Transfer Students."

Mr. Melis reported to the Board on the transition that is currently in progress to the new examination vendor, Ergometrics. Mr. Melis provided the Board with highlights of several of the new vendor's processes, including the availability to (1) sit for the practical and theory exams on the same test date; (2) schedule a test date within 80 hours of the completion date of training; and (3) assist schools with record-keeping through its cloud-based website.

Exam Vendor Transition

The Board discussed other aspects of the exam process through Ergometrics and posed questions to staff. Among the topics discussed was the inclusion of questions about business management and Regulations. The Board's consensus is that questions regarding business management

and Regulations should be included on the examinations administered by Ergometrics.

Further discussion took place on the use of mannequins versus live models for practical exams. Staff informed the Board that Ergometrics recommends the use of mannequins exclusively for all exams. The Board asked that staff discuss an option for a live model in all disciplines. Staff agreed to discuss the topic further with Ergometrics representatives.

Mr. Melis discussed with the Board the interpretation of statute as it relates to the scope of practice of cosmetologists and estheticians. The concluded interpretation was that a licensed cosmetologist may perform all of the practices of a licensed (basic) esthetician.

Mr. Melis discussed with the Board the interpretation of statute as it relates to face shaving by licensed cosmetologists. The concluded interpretation was that licensed cosmetologist may perform face shaving if he/she has obtained the appropriate training to do so since it is not in the cosmetology curriculum.

Mr. Melis and Mr. Kirschner reported on their recent site visit to the Fluvanna Correctional Center for Women to observe its cosmetology training program under the direction of Ms. Debra Fortune. The Board was provided with hand-outs, including (1) the student contract; (2) the cosmetology school rules; and (3) photos of the classroom and clinical areas of the school.

Mr. Kirschner provided in-service training to the Board on the regulatory complaint and disciplinary process and the board member's role in the process.

Mr. Melis advised the Board of Board vacancies and that elections would be held at the August 11, 2014 meeting.

There being no other business to be brought before the Board, Ms. Tsamouras adjourned the meeting at 12:58 PM.
