Report of the 2021 General Assembly Session

January 20, 2021

HB 1737 Nurse practitioners; practice without a practice agreement.

Chief patron: Adams, D.M.

Summary as introduced:

Nurse practitioners; practice without a practice agreement. Reduces from five to two the number of years of full-time clinical experience a nurse practitioner must have to be eligible to practice without a written or electronic practice agreement.

HB 1747 Clinical nurse specialist; licensure of nurse practitioners as specialists, etc.

Chief patron: Adams, D.M.

Summary as introduced:

Clinical nurse specialist; licensure; practice. Provides for the licensure of nurse practitioners as clinical nurse specialists by the Boards of Medicine and Nursing and provides that a nurse practitioner licensed as a clinical nurse specialist shall practice pursuant to a practice agreement between the clinical nurse specialist and a licensed physician. The bill requires the Boards of Medicine and Nursing to jointly issue a license to practice as a nurse practitioner in the category of a clinical nurse specialist to an applicant who is an advance practice registered nurse who has completed an advanced graduate-level education program in the specialty category of clinical nurse specialist and who is registered by the Board of Nursing as a clinical nurse specialist on July 1, 2021.

HB 1769 Health care providers, certain; licensure or certification by endorsement.

Chief patron: Freitas

Summary as introduced:

Certain health care providers; licensure or certification by endorsement. Requires the Board of Medicine to issue a license or certificate by endorsement to an applicant who holds a valid, unrestricted license or certificate under the laws of another state, the District of Columbia, or a United States territory or possession with which the Commonwealth has not established a reciprocal relationship upon endorsement by the appropriate board or other appropriate

authority of such other state, the District of Columbia, or United States territory or possession and a determination by the Board of Medicine that the applicant's credentials are satisfactory to the Board of Medicine and the examinations and passing grades required by such other board or authority are fully equal to those required by the Board of Medicine.

HB 1795 Counseling, Board of; licensure of professional counselors without examination.

Chief patron: Cole, M.L.

Summary as introduced:

Board of Counseling; licensure of professional counselors without examination. Requires the Board of Counseling to issue a license as a licensed professional counselor without examination to a person who has applied for such a license and who satisfies all other education, experience, and fitness to practice requirements set forth in regulation and who, in the judgment of the Board, is qualified to practice professional counseling.

HB 1815 Marijuana; legalization of cultivation, manufacture, sale, possession, and testing, penalties.

Chief patron: Heretick

Summary as introduced:

Marijuana; legalization of cultivation, manufacture, sale, possession, and testing; penalties. Establishes a regulatory scheme for the regulation of marijuana cultivation facilities, marijuana manufacturing facilities, marijuana testing facilities, and retail marijuana stores by the Board of Agriculture and Consumer Services. The bill also grants localities the authority to enact ordinances establishing additional licensing requirements for marijuana establishments located within such locality and allows the home cultivation of marijuana for personal use under certain circumstances. The bill imposes a tax on retail marijuana and retail marijuana products sold by a retail marijuana store at a rate of 9.7 percent (for a total sales tax of 15 percent) and provides that 67 percent of the revenues collected from the tax be deposited into the general fund and 33 percent of the revenues be deposited into a "Retail Marijuana Education Support Fund" to be used solely for purposes of public education. Finally, the bill establishes several new criminal penalties related to marijuana, as well as modifies some existing criminal penalties.

HB 1817 Certified nurse midwives; practice.

Chief patron: Adams, D.M.

Summary as introduced:

Practice of certified nurse midwives. Eliminates the requirement that certified nurse midwives practice pursuant to a practice agreement and provides that certified nurse midwives shall practice in accordance with regulations of the Boards of Medicine and Nursing and consistent with the Standards for the Practice of Midwifery set by the American College of Nurse-Midwives and shall consult and collaborate with and refer patients to such other health care providers as may be appropriate for the care of the patient.

HB 1913 Career fatigue and wellness in certain health care providers; programs to address, civil immunity.

Chief patron: Hope

Summary as introduced:

Programs to address career fatigue and wellness in certain health care providers; civil immunity. Expands civil immunity for health care professionals serving as members of or consultants to entities that function primarily to review, evaluate, or make recommendations related to health care services to include health care professionals serving as members of or consultants to entities that function primarily to address issues related to career fatigue and wellness in health care professionals licensed, registered, or certified by the Boards of Medicine, Nursing, or Pharmacy, or in students enrolled in a school of medicine, osteopathic medicine, nursing, or pharmacy located in the Commonwealth. The bill contains an emergency clause.

EMERGENCY

HB 1953 Licensed certified midwives; definition of practice, licensure, report.

Chief patron: Gooditis

Summary as introduced:

Licensed certified midwives; licensure; practice. Defines "practice of licensed certified midwifery" and directs the Boards of Medicine and Nursing to establish criteria for the licensure and renewal of a license as a certified midwife. The bill also directs the Department of Health Professions to convene a workgroup to study the licensure and regulation of certified nurse midwives, certified midwives, and certified professional midwives to determine the appropriate licensing entity for such professionals. The Department shall report its findings and conclusions to the Governor and the General Assembly by November 1, 2021.

HB 1959 Medication abandonment and increasing patient medication adherence; options for reducing rates.

Chief patron: Fowler

Summary as introduced:

Study; Health Professions Subcommittee of the Committee on Health, Welfare and Institutions; options for reducing rates of medication abandonment and increasing patient medication adherence; report. Directs the Health Professions Subcommittee of the Committee on Health, Welfare and Institutions to study options for reducing the rates of medication abandonment and increasing patient medication adherence, including the feasibility of permitting health plans and pharmacy benefits managers to make available in real time to enrollees and their health care providers, upon request of such health care provider made at the time a prescription drug is prescribed to an enrollee, information regarding the actual cost and any benefits of the prescription drug and any health insurance coverage related to the prescription drug.

HB 1987 Telemedicine; coverage of telehealth services by an insurer, etc.

Chief patron: Adams, D.M.

Summary as introduced:

Telemedicine. Clarifies that nothing shall preclude coverage of telehealth services by an insurer proposing to issue individual or group accident and sickness insurance policies providing hospital, medical and surgical, or major medical coverage on an expense-incurred basis; a corporation providing individual or group accident and sickness subscription contracts; or a health maintenance organization providing a health care plan for health care services. The bill requires the Board of Medical Assistance Services to amend the state plan for medical assistance to provide for payment of medical assistance for remote patient monitoring services provided via telemedicine for certain high-risk patients, and provides for the establishment of a practitioner-patient relationship via telemedicine for the prescribing of Schedule II through VI controlled substances.

HB 1988 Cannabis oil; processing and dispensing by pharmaceutical processors.

Chief patron: Adams, D.M.

Summary as introduced:

Board of Pharmacy; pharmaceutical processors; processing and dispensing cannabis oil.

Effects numerous changes to the processing and dispensing of cannabis oil by pharmaceutical processors in the Commonwealth. The bill defines the term "designated caregiver facility" and allows any staff member or employee of a designated caregiver facility to assist with the possession, acquisition, delivery, transfer, transportation, and administration of cannabis oil for any patients residing in the designated caregiver facility. The bill allows written certifications for use of cannabis oil to include an electronic practitioner signature. The bill removes the requirement that a cannabis dispensing facility undergo quarterly inspections and instead requires that inspections occur no more than once annually and allows pharmaceutical processors to remediate cannabis oil that fails any quality testing standard. The bill requires pharmaceutical processors to maintain evidence of criminal background checks for all employees and delivery agents of the pharmaceutical processor. The bill directs the Board of Pharmacy to promulgate regulations implementing the provisions of the bill and regulations creating reasonable restrictions on advertising and promotion by pharmaceutical processors by July 1, 2021.

HB 2005 Disposition of the remains of a decedent; persons to make arrangements for funeral.

Chief patron: Sickles

Summary as introduced:

Disposition of the remains of a decedent; persons to make arrangements for funeral and disposition of remains. Establishes an order of priority for persons who have the right to make arrangements and otherwise be responsible for a decedent's funeral and the disposition of his remains, provided that any such person is 18 years of age or older and of sound mind. The bill sets out, among other things, the circumstances under which such persons forfeit the right to make arrangements and otherwise be responsible for a person's funeral and the disposition of his remains and sets out assertions that a person seeking to exercise the right to make such arrangements must attest to in a signed written statement to be delivered to the funeral service establishment. Any funeral service establishment, funeral service establishment manager of record, funeral service licensee, funeral director, embalmer, registered crematory, registered crematory owner, registered crematory manager of record, or certified crematory operator that relies upon such a written statement shall be immune from civil or criminal liability for any act, decision, or omission in connection with following such person's direction related to the decedent's funeral and the disposition of his remains, unless such act, decision, or omission resulted from willful neglect or bad faith. The bill sets out rights of funeral service establishments when there is a dispute regarding the arrangements of a decedent's funeral or

his remains or the identity of any persons who have the right to make arrangements for the decedent. The bill specifies that the provisions do not apply to cemeteries or cemetery companies.

HB 2039 Physician assistant; eliminates certain requirement for practice.

Chief patron: Rasoul

Summary as introduced:

Practice as a physician assistant. Eliminates the requirement that a physician assistant enter into a practice agreement with a single patient care team physician or patient care team podiatrist and provides that a patient care team physician or patient care team podiatrist shall not be liable for the actions or inactions of a physician assistant for whom the patient care team physician or patient care team podiatrist provides collaboration and consultation. The bill also makes clear that a student physician assistant shall not be required to be licensed to engage in acts that otherwise constitute practice as a physician assistant, provided that the student physician assistant is enrolled in an accredited physician assistant education program.

HB 2044 Naturopathic doctors; Board of Medicine to license and regulate.

Chief patron: Rasoul

Summary as introduced:

Naturopathic doctors; license required. Requires the Board of Medicine to license and regulate naturopathic doctors. The practice of naturopathic medicine is defined in the bill as (i) a system of primary health care for the prevention, diagnosis, and treatment of human health conditions, injury, and disease and (ii) the use of both naturopathic and traditional medical therapies to promote or restore whole patient health. The bill also establishes the Advisory Board on Naturopathic Medicine to assist the Board of Medicine in formulating regulations related to the practice of naturopathic medicine.

HB 2061 VIIS; any health care provider in the Commonwealth that administers immunizations to participate.

Chief patron: Willett

Summary as introduced:

Virginia Immunization Information System; health care entities; required participation.

Requires any health care provider in the Commonwealth that administers immunizations to

participate in the Virginia Immunization Information System (VIIS) and report patient immunization history and information to VIIS. Under current law, participation in VIIS is optional for authorized health care entities. The bill has a delayed effective date of January 1, 2022.

HB 2079 Pharmacists; initiation of treatment with and dispensing and administering of drugs and devices.

Chief patron: Rasoul

Summary as introduced:

Pharmacists; initiation of treatment; certain drugs and devices. Expands provisions governing the initiation of treatment with and dispensing and administering of drugs and devices by pharmacists to allow the initiation of treatment with and dispensing and administering of drugs, devices, and controlled paraphernalia to persons 18 years of age or older, in accordance with protocols developed by the Board of Pharmacy in collaboration with the Board of Medicine and the Department of Health, and of (i) vaccines included on the Immunization Schedule published by the Centers for Disease Control and Prevention; (ii) tuberculin purified protein derivative for tuberculosis testing; (iii) controlled substances for the prevention of human immunodeficiency virus, including controlled substances prescribed for pre-exposure and post-exposure prophylaxis pursuant to guidelines and recommendations of the Centers for Disease Control and Prevention; and (iv) drugs, devices, controlled paraphernalia, and other supplies and equipment available over-the-counter, covered by the patient's health carrier when the patient's out-of-pocket cost is lower than the out-of-pocket cost to purchase an over-the-counter equivalent of the same drug, device, controlled paraphernalia, or other supplies or equipment. The bill requires any pharmacist who administers a vaccination pursuant to clause (i) to report such administration to the Virginia Immunization Information System. The bill also (a) requires the Board of Pharmacy, in collaboration with the Board of Medicine and the Department of Health, to establish protocols for the initiation of treatment with and dispensing and administering of drugs, devices, and controlled paraphernalia by pharmacists in accordance with the provisions of the bill by November 1, 2021; (b) requires the Board of Pharmacy, in collaboration with the Board of Medicine, to adopt regulations within 280 days of the bill's enactment to implement the provisions of the bill; and (c) requires the Board of Pharmacy to continue the work group composed of equal number of representatives of the Boards of Pharmacy and Medicine and other stakeholders to provide recommendations regarding the

developing of protocols for the initiation of treatment with and dispensing and administering of certain drugs and devices by pharmacists to persons 18 years of age or older.

HB 2116 Declared states of emergency, certain; funeral service licensees designated as essential workers.

Chief patron: Mugler

Summary as introduced:

Certain declared states of emergency; essential workers; funeral service licensees; emergency. Provides that in any case in which the Governor has declared a state of emergency related to a communicable disease of public health threat, funeral service licensees shall be considered essential workers and shall be included in any group afforded priority with regard to (i) access to personal protective equipment and (ii) administration of any vaccination against such communicable disease of public health threat during such emergency. The bill contains an emergency clause.

EMERGENCY

HB 2218 Pharmaceutical processors; permits processors to produce & distribute cannabis products.

Chief patron: Hayes

Summary as introduced:

Pharmaceutical processors; cannabis products. Permits pharmaceutical processors to produce and distribute cannabis products other than cannabis oil. The bill defines the terms "botanical cannabis," "cannabis product," and "usable cannabis." The bill requires the Board of Pharmacy to establish testing standards for botanical cannabis and botanical cannabis products, establish a registration process for botanical cannabis products, and promulgate emergency regulations to implement the provisions of the bill. The bill allows the Board of Pharmacy to assess and collect a one-time botanical cannabis regulatory fee from each pharmaceutical processor, not to exceed \$50,000, to cover costs associated with the implementation of the provisions of the bill, including costs for new personnel, training, promulgation of regulations and guidance documents, and information technology.

HB 2220 Surgical technologist; certification, use of title.

Chief patron: Hayes

Summary as introduced:

Surgical technologist; certification; use of title. Provides that that no person shall hold himself out to be a surgical technologist or use or assume the title of "surgical technologist" or "certified surgical technologist" unless such person is certified by the Board of Medicine; currently, a person must be registered with the Board of Medicine to use the title "registered surgical technologist." The bill also (i) adds a requirement that an applicant whose certification is based on his holding a current credential as a certified surgical technologist from the National Board of Surgical Technology and Surgical Assisting also demonstrate that he has successfully completed an accredited surgical technologist training program and (ii) provides that the Board of Medicine may certify a person who has practiced as a surgical technologist at any time in the six months prior to July 1, 2021, provided that he registers with the Board of Medicine by December 31, 2021.

HB 2241 Unborn child protection from dismemberment abortion; penalties.

Chief patron: LaRock

Summary as introduced:

Unborn child protection from dismemberment abortion; penalties. Prohibits the practice of dismemberment abortion, which is defined in the bill as meaning to, with the purpose of causing the death of an unborn child, purposely dismember a living unborn child and extract him one piece at a time from the uterus through the use of clamps, grasping forceps, tongs, scissors, or any other instrument that, through the convergence of two rigid levers, slice, crush, or grasp a portion of the unborn child's body to cut or rip such portion of the unborn child's body. The term does not include an abortion that uses suction to dismember the body of an unborn child by sucking fetal parts into a collection container, but it does include an abortion in which a dismemberment abortion is used to cause the death of an unborn child but suction is subsequently used to extract fetal parts after the death of the unborn child. The bill provides that a person who purposely performs a dismemberment abortion is guilty of a Class 4 felony. A cause of action is also created for injunctive relief and civil damages. An exception is made when a dismemberment abortion is necessary to prevent serious health risk to the unborn child's mother.

HB 2259 Governor; issuance of licenses to persons denied by regulatory board.

Chief patron: Scott

Summary as introduced:

Professions and occupations; licensure by Governor. Provides that the Governor may issue a license of the kind granted by a regulatory board under the Department of Professional and Occupational Regulation or the Department of Health Professions to any person whose application for such license to such board has been denied.

HB 2272 Naturopathic doctors; Department of Health Professions to amend its regulations.

Chief patron: Fowler

Summary as introduced:

Department of Health Professions; naturopathic doctors. Directs the Department of Health Professions to amend its regulations to require that a person complete a four-year accredited doctoral program in naturopathy and pass the naturopathy examination administered by the Virginia Naturopathic Doctors Association in order to use the title "Naturopathic Doctor" or "ND." The bill requires the Department to collaborate with the Virginia Naturopathic Doctors Association to draft and implement regulations related to the scope of practice of naturopathic doctors in the Commonwealth.

HJ 531 Interstate Medical Licensure Compact; Joint Com. on Health Care to study advisability of joining.

Chief patron: Helmer

Summary as introduced:

Study; Joint Commission on Health Care; advisability of the Commonwealth's joining the Interstate Medical Licensure Compact; report. Directs the Joint Commission on Health Care to study the advisability of the Commonwealth's joining the Interstate Medical Licensure Compact (the Compact), including the legal effects of joining of the Compact in the Commonwealth and possible positive and negative outcomes resulting from the adoption of the Compact, and develop recommendations as to whether the Commonwealth should join the Compact. The Joint Commission on Health Care shall complete its work by November 30, 2021, and submit an executive report of its findings and conclusions no later than the first day of the 2022 Regular Session of the General Assembly.

SB 1107 Medical malpractice; limitation on recovery.

Chief patron: Stanley

SB 1178 Genetic counseling; repeals conscience clause.

Chief patron: Ebbin

Summary as introduced:

Genetic counseling; conscience clause. Repeals the conscience clause for genetic counselors who forgo participating in counseling that conflicts with their deeply held moral or religious beliefs, provided that they inform the patient and offer to direct the patient to the online directory of licensed genetic counselors maintained by the Board of Medicine. The law being repealed also prohibits the licensing of any genetic counselor from being contingent upon participating in such counseling.

SB 1187 Physical therapy; extends time allowed for a therapist to evaluate and treat patients.

Chief patron: Hashmi

Summary as introduced:

Department of Health Professions; practice of physical therapy. Extends from 30 days to 60 days the time allowed for a physical therapist who has completed a doctor of physical therapy program approved by the Commission on Accreditation of Physical Therapy Education or who has obtained a certificate of authorization to evaluate and treat patients after an initial evaluation without a referral under certain circumstances. The bill also provides that after discharging a patient a physical therapist shall not perform an initial evaluation of a patient without a referral if the physical therapist has performed an initial evaluation of the patient for the same condition within the immediately preceding 60 days.

SB 1189 Occupational therapists; licensure.

Chief patron: Hashmi

Summary as introduced:

Licensure of occupational therapists; Occupational Therapy Interjurisdictional Licensure Compact. Authorizes Virginia to become a signatory to the Occupational Therapy Interjurisdictional Licensure Compact. The Compact permits eligible licensed occupational therapists and occupational therapy assistants to practice in Compact member states provided they are licensed in at least one member state. The bill has a delayed effective date of January 1, 2022, and directs the Board of Medicine to adopt emergency regulations to implement the provisions of the bill. The Compact takes effect when it is enacted by a tenth member state.

SB 1192 Naturopathic doctors; Department of Health Professions to amend its regulations.

Chief patron: Kiggans

Summary as introduced:

Department of Health Professions; naturopathic doctors. Directs the Department of Health Professions to amend its regulations to require that a person complete a four-year accredited doctoral program in naturopathy and pass the naturopathy examination administered by the Virginia Naturopathic Doctors Association in order to use the title "Naturopathic Doctor" or "ND." The bill requires the Department to collaborate with the Virginia Naturopathic Doctors Association to draft and implement regulations related to the scope of practice of naturopathic doctors in the Commonwealth.

SB 1406 Marijuana; legalization of simple possession; penalties.

Chief patron: Ebbin, Lucas

Summary as introduced:

Marijuana; legalization of simple possession; penalties. Eliminates criminal penalties for possession of marijuana for persons who are 21 years of age or older. The bill also modifies several other criminal penalties related to marijuana and provides for an automatic expungement process for those convicted of certain marijuana-related crimes. The bill establishes a regulatory scheme for the regulation of marijuana cultivation facilities, marijuana manufacturing facilities, marijuana testing facilities, marijuana wholesalers, and retail marijuana stores by the Virginia Alcoholic Beverage Control Authority, renamed as the Virginia Alcoholic Beverage and Cannabis Control Authority. The bill imposes a tax on retail marijuana, retail marijuana products, and marijuana paraphernalia sold by a retail marijuana store, as well as non-retail marijuana and non-retail marijuana products at a rate of 21 percent and provides that localities may by ordinance levy a three percent tax on any such marijuana or marijuana products. The bill provides that net profits attributable to regulatory activities of the Authority's Board of Directors pursuant to this bill shall be appropriated as follows: (i) 40 percent to pre-kindergarten programs for at-risk three and four year olds, (ii) 30 percent to the Cannabis Equity Reinvestment Fund, established in the bill, (iii) 25 percent to substance use disorder prevention and treatment programs, and (iv) five percent to public health programs. The bill creates the Cannabis Control Advisory Board, the Cannabis Equity Reinvestment Board, and the Cannabis Public Health Advisory Council. The bill has a delayed effective date of January 1, 2023, with provisions for the Authority's Board of Directors to promulgate regulations for the implementation of the bill and for implementation of the automatic expungement process to begin in due course. In addition, the bill establishes three work groups to begin their efforts in due course: one focused on public health and safety issues, one focused on providing resources for teachers in elementary and secondary schools, and one focused on college-aged individuals.
