Virginia Department for the Blind and Vision Impaired

ANNOUNCEMENT OF PUBLIC MEETINGS

During the fall of 2020, the Department for the Blind and Vision Impaired (DBVI) will conduct five virtual public meetings using Zoom. These meetings provide stakeholders an opportunity to make comments regarding DBVI programs and services. DBVI seeks input regarding agency strategic planning, development of agency policies and procedures, and implementing services and supports to potentially eligible and eligible individuals who are blind, vision impaired, and deafblind. DBVI is particularly interested in comments regarding the following programs, services, and divisions:

- Independent Living/Rehabilitation Teaching
- Education Services
- Low Vision Services
- Deafblind Services
- Virginia Rehabilitation Center for the Blind and Vision Impaired Programs
- Rehabilitation Technology Services
- Vocational Rehabilitation and Workforce Services
- Library and Resource Center Services
- Virginia Industries for the Blind
- Virginia Enterprises for the Blind

Best Practices for Zoom Meetings

1- Disconnect VPN as ZOOM works better and faster without VPN (only use VPN if you require access to VPN resources during the meeting)

2 - Close any other applications in the background you don't need for your meeting.

3 - Connect your computer to your internet router by network cable and not wireless, if you have a cable and can be near your router.

4 – Keep your microphone or telephone on mute unless you are talking.
