TIME AND PLACE

The Public Meeting regarding the Master Plan for False Cape State Park took place at 6:00 p.m. on Wednesday, September 25, 2019 at the Trail Center at First Landing State Park in Virginia Beach, Virginia.

Cameron Swain, Assistant Park Manager

PUBLIC PRESENT

3 members of the public attended the meeting.

MEETING SUMMARY

The meeting provided an overview of the master planning process, provided an orientation to False Cape State Park, reviewed the proposed update to the park's master plan and allowed for public comment. Proposed developments for the park include four small shelters, relocation of the maintenance area, 2 vault toilets, a comfort station/outdoor shower and the upgrades of the park road from Wash Woods to Dudley Island. The park is predicted to be highly impacted by storm surge and sea level rise, thus proposed developments at the park are minimal. Public comments included a concern for hunting around the park. The citizens in attendance expressed general support for the plan. The draft master plan will next be presented to the Board of Conservation and Recreation for recommended approval.
